ART NOUVEAU SPRING-SUMMER 2010

A beautiful collection drawing inspiration from the late 19th and early 20th century with strong yet feminine colours.

SHINY LIPS N. 14 TIFFANY Pink Velvet

The moisturising, non sticky texture makes the lips look full and delivers a lush gloss finish. Containing vitamin E and castor oil it keeps lips soft and protected. Pink Velvet looks glamorous day or night.

Nail Varnish N. 395 TIFFANY Pink Velvet

Fast drying, nourishing, long lasting and easier than ever to apply with the professional flat brush. This rich pink velvet matches the shiny lips and will look super chic on both fingers and toes.

LET'S TWIST EYE STYLIST

This carbon black eye liner with built in sharpener has a gorgeous soft, creamy texture. Suitable for those with sensitive eyes thanks to its natural ingredients including silica and vitamin E.

GLAMOUREYES N. 6 LIBERTY

A gorgeous, versatile quad palette of cool mocha, emerald green, lilac and lavender. The baked eye shadows are packed with ultra-soft pigments for easy blending, providing excellent and long lasting coverage. The shimmering colours glide on the skin like velvet.

SUMMER FEVER Shimmering Body Powder ROCOCO

Soft, hypoallergenic, rich in jojoba oil and vitamin E and enriched with glittering golden pigments it creates a lovely summer glow all year round. Add a touch of shimmer to your shoulders, arms, legs and décolleté.
