

Shredhouse

We produce high quality decorative and protective packaging for your products, gifts, hampers and boxes.

We help to show products and gifts at their best.

The mark of responsible forestry

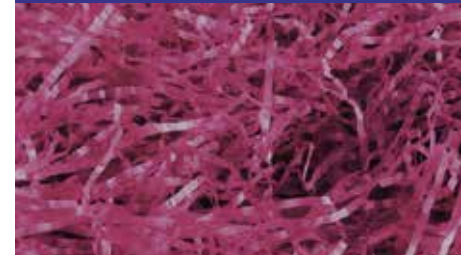

Who are we?

Shredhouse are the only UK-based manufacturer of shredded paper, Natureflex and tissuepaper for the gift packaging market. We also supply luxury coloured, white and printed tissue paper. Our eco-friendly, high quality packaging products are used to enhance your products, gifts, gift boxes and hampers, enabling you to present them beautifully and safely.

We work with customers from large multi-national brands to British artisans across a range of market sectors including health and beauty, food and drink, craft and toys, gifts and many more. We also supply retailers, wholesalers and contract packers.

Why Shredhouse?

Flexible - Our purpose built warehouse with custom-made machinery means that we can react quickly to product requests and create tailor-made options for you. Whatever you need we will attempt to fulfil your requirements. We can also offer bespoke or blended colours to match your corporate branding needs. We can help those with small volume packaging requirements via our online shop at www.giftpackaging.co.uk, where you can also view the colour ranges available.

Experienced - We have over 20 years' experience in the packaging market, and our expert team can offer you advice and guidance to ensure that you achieve beautifully packaged products, presented to a high standard.

Made in Britain - We manufacture our shredded paper products at our UK premises. We pride ourselves in our high quality products and quick delivery, sourcing the majority of our papers from UK paper mills, including recycled paper from UK waste.

Eco-friendly - We have ISO, FSC and PEFC supplier certifications. The majority of our packaging options are reusable, recyclable, compostable and biodegradable, allowing you to maintain your environmental responsibility.

We'd be happy to discuss your requirements. We pride ourselves on delivering our high-quality products to fully meet your needs. We will always do our best to find the packaging that meets your requirements.
