

**Specialising in Bespoke electrical accessories**

# The finest selection of decorative wiring accessories

For more than 30 years Focus SB has been designing and manufacturing decorative wiring accessories to address the market's higher specification requirements. All of our products are designed and manufactured using the highest quality materials and inserts to maintain the level of product reliability and durability demanded by the specified sector of the market.

Dorchester

Morpheus screwless range

## NEW PRODUCT INNOVATIONS

We are constantly striving to establish the next generation of products. Many of these products harness the latest technological developments, incorporating electronic devices that can make dramatic lifestyle statements.

## BRITISH MANUFACTURED

To maintain product quality throughout the production process, our products are manufactured and assembled at our Sussex factory.

By undertaking all of the processes from polishing, dipping and lacquering face plates, installing the required inserts and then hand finishing the accessory, we are able to control product quality to our own very high standards.

Where required, we can engrave or silk screen the plates, adding coloured lettering or motifs.

## BESPOKE DESIGN SERVICE

We offer a bespoke design service, based on our product portfolio. This creates the opportunity to feature non-standard solutions that help to maintain a coordinated look throughout a project - please ask for details.

Focus SB specialise in custom design and production of accessories to you specific requirements, whatever your accessory needs are we have the knowledge and ability turn your requirements into reality. Our specials department have been producing custom products for over 30 years.

| Crest                   | Royal Berkshire |
| Hilton Intercontinental | Royal Garden    |
| London Bridge Lowndes   | Royal Lancaster |

# HAL

Lighting and Building Control

Control your lighting easily and simply from one central panel or remote control with the new HAL home automated lighting system.

- Simple, easy to use controls (software, programming knowledge not required)
- Contractor/installer can self-commission
- System settings unaffected by power failure
- System can be upgraded and added to at a later stage
- Larger multi-channel available to order
- Multi-channel systems can be housed in a central cubicle or multiple locations
- Control plates, panels and cubicles all connected on 1-10V CAT5 data loop
- Control options available for high frequency fluorescent luminaires and LEDs with suitable dimmable drivers
- Control plates can match other Focus SB accessories

# Wise Controls

Wireless garden solutions

Wise Controls is a new brand of radio switches and receivers for commercial or domestic use (home and garden). These controls can be quickly and easily installed into any indoor or outdoor environment.

Imagine being able to turn on the drive way or garden lights and open the garage door without leaving the comfort of your car on your return home. The Wise system can even be set with a time clock switch to turn devices on when you are away, so not only can you make your house look occupied, but the garden can also be used as a deterrent towards unwelcome visitors.

Wise Remote Fob

Wisebox Kit - 4 Channel, Style Switch and Remote

Wisedim Receiver - 4 Channel, 2800 Watts

4 Channel Timeclock

Wise Switch Receiver - 1 Channel, 1000 Watts

# Ambassador

The superior quality of the flat plate Ambassador range has been designed to suit both traditional and contemporary interiors. Produced as standard with rounded corners, or with optional square corners, it features Wandsworth inserts for exceptional product reliability. To ensure design uniformity throughout a project, Focus SB can utilise the grid fix inserts from this range to produce non-standard accessories to fulfil customer requirements.

Available in the following finishes: Polished Brass, Satin Brass, Antique Brass, Bronze Antique, Polished Chrome, Satin Chrome, Polished Nickel, Satin Nickel, Primed White, French Gilt, Polished Stainless Steel and Satin Stainless Steel.

Rounded corners

Square corners

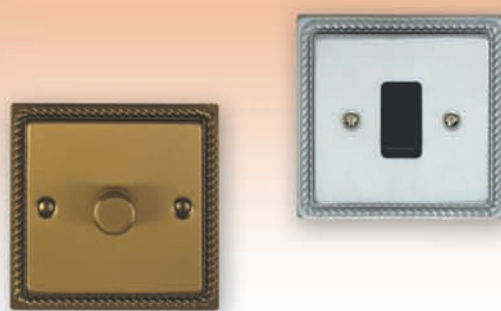

# Cheltenham

This attractive roped edge design provides the market with attractive styling to complement traditional interiors. Featuring Crabtree inserts, this system is able to satisfy most application requirements.

Available in the following finishes: Polished Brass, Satin Brass, Antique Brass, Bronze Antique, Polished Chrome, Satin Chrome, Polished Nickel, Satin Nickel, Primed White and French Gilt.

# Elizabethan

The Elizabethan range of accessories offers an attractive wrought iron effect in semi matt black finish with matching black Crabtree inserts.

The plates are produced from hammered brass material and finished in a durable low bake black acrylic paint.

# Focus

The Focus range is a stylish addition to the Focus SB portfolio. It incorporates an elegant biconvex design that catches the eye with its elegance.

The Focus range includes the Wandsworth range of inserts.

*Available in the following finishes: Polished Brass, Satin Brass, Antique Brass, Bronze Antique, Polished Chrome, Satin Chrome, Polished Nickel and Satin Nickel.*

# Georgian

The decorative Georgian rope design mainly includes Wandsworth series 2 grid fix inserts. With a full complement of products, all lacquered to maintain plate durability and finish, this high specification range is able to address most installation requirements.

*Available in the following finishes: Polished Brass, Satin Brass, Antique Brass, Bronze Antique, Polished Chrome, Satin Chrome, Polished Nickel and Satin Nickel.*

# Horizon

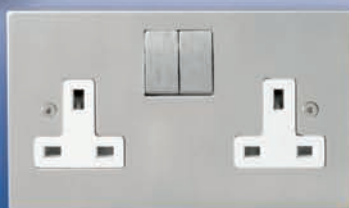

The Horizon range with Crabtree inserts features a contemporary styled flat plate to suit modern interiors. Available in a variety of materials and finishes, it utilises grid fix inserts to address the demands of the very latest wiring installations. To provide a very secure and tamper resistant method of attaching the flat plate to the accessory box, the Horizon plate has adopted Allen Key fixings.

Available in the following finishes: Polished Brass, Satin Brass, Antique Brass, Bronze Antique, Polished Chrome, Satin Chrome, Polished Nickel, Satin Nickel, Primed White, French Gilt, Polished Stainless Steel and Satin Stainless Steel.

Rounded corners

Square corners

# Jacobean

The Jacobean range is a unique wooden design manufactured from solid oak to create a high quality and natural looking product. To maximise versatility it is available in a choice finishes and incorporates the high specification Wandsworth inserts with white or black trim.

Finishes include the new Ebony finish alongside our already popular Natural, Light, Medium and Dark Oak finishes.

*All wood used in the Jacobean range is sourced from managed forests in North America and Europe.*

# Lincoln

The Lincoln range, with its stepped plate design, is manufactured to the highest standards using Crabtree inserts. These plates feature moulded, concave rocker switches to complement the accessory design. The range offers a comprehensive selection of products to suit most application requirements.

*Available in the following finishes: Polished Brass, Satin Brass, Antique Brass, Bronze Antique, Polished Chrome, Satin Chrome, Polished Nickel, Satin Nickel, Primed White and French Gilt.*

# Lux Frames

## Adam

Lux Frames have been manufactured to offer unrivalled quality, including Wandsworth grid fix inserts to satisfy specified requirements. Featuring a two-piece plate combination, they can incorporate contrasting finishes to give a luxury finish.

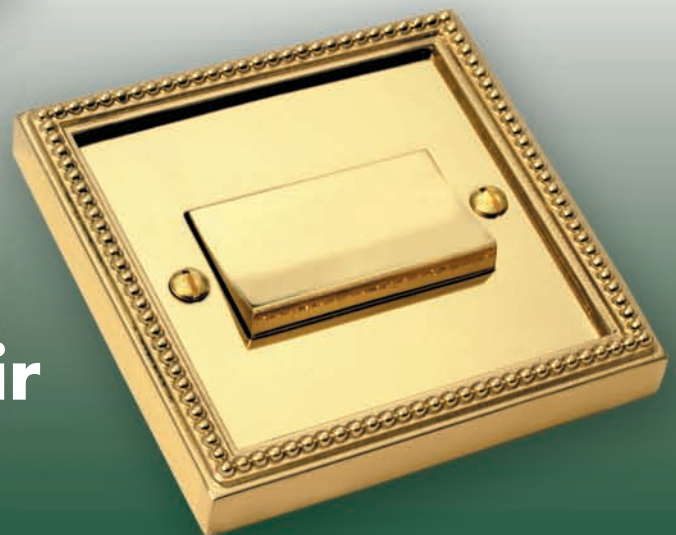

These plates can be produced as non-standard units to suit the client's particular application requirements.

*Available in the following finishes: Polished Brass, Satin Brass, Antique Brass, Bronze Antique, Polished Chrome, Satin Chrome, Polished Nickel, Satin Nickel and French Gilt.*

## Dorchester

## Kensington

## Mayfair

# Morpheus

The NEW Morpheus range of accessories is a screw less design incorporating a new slim line plate with Wandsworth inserts for exceptional product reliability. Produced with the highest quality craftsmanship and materials, Morpheus is a slim and very discrete range to suit the very finest environments.

*Available in the following finishes: Polished Brass, Satin Brass, Antique Brass, Bronze Antique, Polished Chrome, Satin Chrome, Polished Nickel, Satin Nickel, Primed White, French Gilt, Polished Stainless Steel and Satin Stainless Steel.*

# Newbury

Utilising the Crabtree range of grid and riveted inserts, the Newbury range has been designed to offer a very plain and simple design that can complement both traditional and contemporary interior settings.

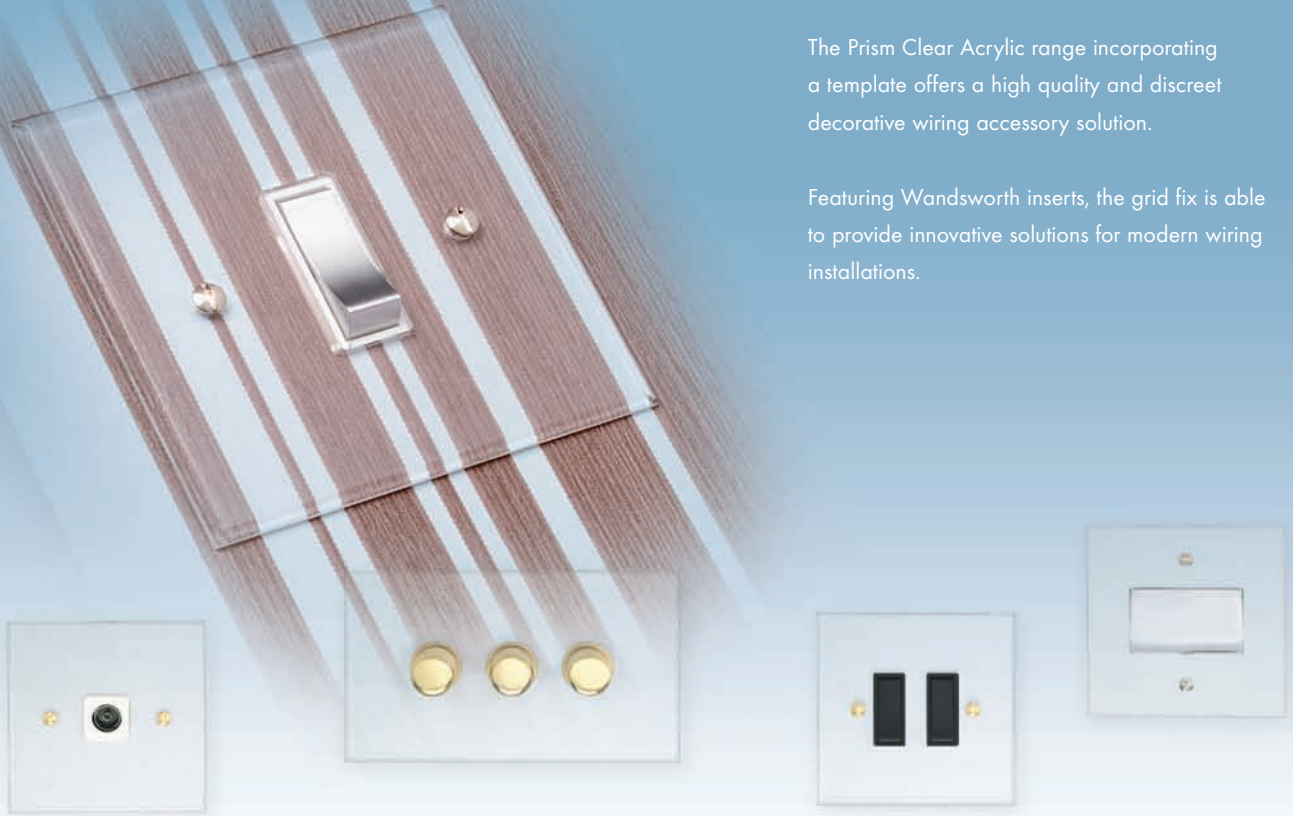

*Available in the following finishes: Polished Brass, Satin Brass, Antique Brass, Bronze Antique, Polished Chrome, Satin Chrome, Polished Nickel, Satin Nickel, Primed White, French Gilt, Polished Stainless Steel and Satin Stainless Steel.*

# Prism

The Prism Clear Acrylic range incorporating a template offers a high quality and discreet decorative wiring accessory solution.

Featuring Wandsworth inserts, the grid fix is able to provide innovative solutions for modern wiring installations.

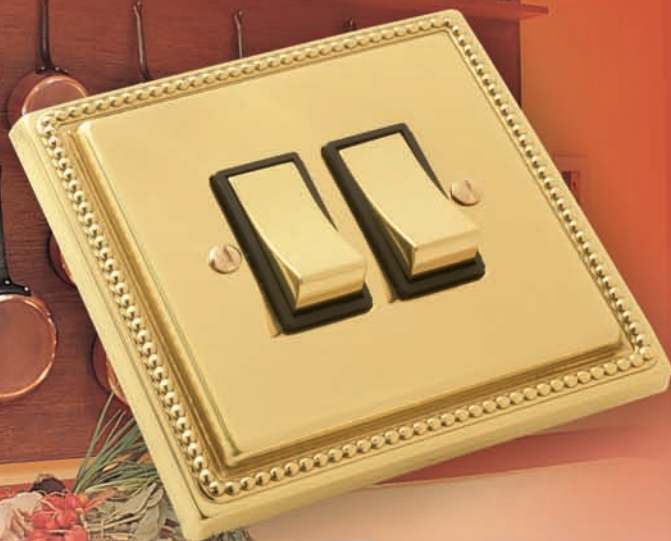

## Prism II SCREWLESS CLEAR ACRYLIC

Prism II benefits from the same high quality specifications as the Prism range but is screwless, offering a sleek and highly discreet solution.

Where required, Focus SB is able to design and manufacture bespoke solutions for both Prism and Prism II.

# Regency

The decorative beaded design of the Regency range features Wandsworth grid fix inserts with metal rockers. With a full range of products, all lacquered to maintain plate durability and finish, it is able to address most application requirements.

Available in the following finishes: Polished Brass, Satin Brass, Antique Brass, Bronze Antique, Polished Chrome, Satin Chrome, Polished Nickel, Satin Nickel, Primed White and French Gilt.

# Sheraton

The Sheraton range offers the market a high quality and attractive product range which incorporates Wandsworth grid fix interiors. Its highly attractive stepped plate design is able to complement most types of interior design, creating the desired up market appeal.

Available in the following finishes: Polished Brass, Satin Brass, Antique Brass, Bronze Antique, Polished Chrome, Satin Chrome, Polished Nickel, Satin Nickel, Primed White and French Gilt.

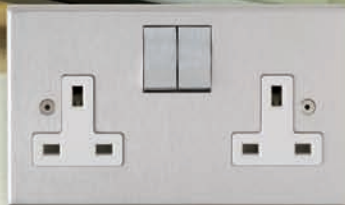

# Titan

The NEW Titan range of accessories incorporates a new slim line plate and features Crabtree inserts. Grid fixing allows easy installation and flexibility for specials. Produced with the highest quality craftsmanship and materials, Titan's slim, sleek and stylish design will suit any environment.

*Available in the following finishes: Polished Brass, Satin Brass, Antique Brass, Bronze Antique, Polished Chrome, Satin Chrome, Polished Nickel, Satin Nickel, French Gilt, Polished Stainless Steel and Satin Stainless Steel.*

# True Edge

The new True Edge range uses traditional hand crafted production techniques to give a more refined look to the accessory.

With sharper looking corners and utilising the Wandsworth range of inserts, True Edge is designed for the most refined of environments.

*Available in the following finishes: Polished Brass, Satin Brass, Antique Brass, Bronze Antique, Polished Chrome, Satin Chrome, Polished Nickel, Satin Nickel and Primed White.*

# Victorian

The Victorian range of decorative accessories features a very simple and plain plate design that is able to blend in with both contemporary and traditional interiors. Featuring Wandsworth grid inserts, its comprehensive range has been developed to address most installation requirements.

*Available in the following finishes: Polished Brass, Satin Brass, Antique Brass, Bronze Antique, Polished Chrome, Satin Chrome, Polished Nickel, Satin Nickel, Primed White and French Gilt.*

# Worcester

The Worcester range, with its decorative beaded design, is manufactured to the highest standards. Featuring Crabtree grid and riveted interiors, the range offers a comprehensive selection of products to suit most application requirements.

*Available in the following finishes: Polished Brass, Satin Brass, Antique Brass, Bronze Antique, Polished Chrome, Satin Chrome, Polished Nickel, Satin Nickel, Primed White and French Gilt.*
