

Product Guide issue 10
Manufactured in the UK to your requirements

Pitts Presentation Products are a family run company, and now a leading UK manufacturer of whiteboards, noticeboards and supplier of display equipment.

Starting up in 2001 we have grown year on year, increasing our sales and improving our product range continually to meet demand.

Manufacturers with flexibility and quality

Pitts Presentation take great pride in the quality of the products manufactured. Every care is taken to test our raw products suitability for use, and ensure our production team maintain the standards we expect.

We use reputable national carriers for all our deliveries and ensure our products are adequately packaged and marked up as fragile to ensure their safe arrival.

Our flexibility allows us to cater for a wide range of clients

Construction & Industrial

- Architects
- Industrial and Shopfitting
- Government Departments

Offices & Hospitals

- Blue Chip Companies
- Government projects

Education

- Universities and colleges
- Nursery and Pre-school

Exceed your expectation

- Customer satisfaction is our top priority
- Advice and design service and full after sales support
- Committed to quality products at competitive prices
- Direct product manufacturers, manufactured in the UK
- Custom made, special sizes to your exact requirements
- Northern and Southern sales offices for service and advice
- Price pledge promise on all items manufactured by Pitts Presentation

Pitts Polycolour FR[®] NEW

Pitts Polycolour FR[®] noticeboards are acoustically absorbent panels with a felt like finish which are flame retardant to BS EN 13823 (SBI). They are made from 100% PET plastic which depending on the colour, contain up to 90% post-consumer material. Pitts Polycolour FR[®] are also recyclable in the PET waste stream.

They can be installed on walls and ceilings, in office furniture systems, as decorative tiles and even finished products. The boards are tackable for a multipurpose solution in office spaces and educational facilities.

- Choose from a wide range of colours, sizes and frames
- Standard 9mm thickness
- Class B Fire Rating
- Choice of 6 sizes and 7 colours
- Manufactured in the UK
- Boards are made to order
- Other colours are available (6-8 week leadtime)

Fire Ratings for Public Buildings

Office and classrooms: Fire rated boards must be compliant with **Class 1 BS4676 Part 7 Class 1**

Corridors and stairwells: Fire rated boards must be compliant with **Class B EN 13501**

Premium Glassboards

Magnetic glass boards combine perfect design, saturated colours and elegance. Ideal for offices, restaurants and the home, glassboards are made of glass, covered with paint on the reverse side and galvanized sheet-bonded together. They have rounded corners which make them safe to use. Dry-wipe properties mean your annotations can be changed whenever you want.

Our premium range of glassboards are manufactured in the UK to a high standard and available in any RAL colour - you choose.

- 4mm low iron toughened glass to EN12150 Class 1 with all edges polished
- Back painted to any standard RAL colour
- RAL colours are available in a magnetic and non-magnetic finish
- Clear finish available in non-magnetic only
- Vinyl protective backing
- Magnetic glassboards have 0.9mm zintec backing
- Invisible fixing – galvanised steel with adhesive backing and wall hook
- Stand off fixing – 25mm x 25mm satin finish aluminium
- If ordering a RAL colour, please state reference number with your order

Please contact us for a quote if you require any of our signs or A Boards customised with your logo and/or promotional message.

Ecoflexlite

Light on price, big on impact.

- Ecoflexlite may be the smallest in our range, but it packs a punch with its 410mm x 763mm display area.
- Aircraft grade 1.2mm aluminium panel, it is ideal for vinyl graphics or screen/digital printing.
- Unique patented wedge means assembly and disassembly in seconds, with no tools required.
- Recycled PVC base provides great stability.

	Type	Colour	Dimensions	RRP £
PPCOFLEXLITE	Ecoflexlite	White	410mm x 763mm	£40.81

A Master Board

Double sided poster display in a wide range of sizes.

- Front opening aluminium snapframes with rounded corners for safety (32mm profile).
- Anti-glare poster covers with high UV resistance.
- Add print or vinyl to the back panel for messaging between poster promotions.
- Galvanised steel back panels, hinged locking arms and rubberised feet for optimum weight and stability.
- Available in silver anodised or black powder coated finish from stock.
- Custom sizes and colours available made to order (minimum order quantity 50).
- Fold flat design – easy to move and store.

	Type	Colour	Dimensions	RRP £

Frame Stands

Frame stands are the perfect solution for simple, low cost, free standing displays. The frame is a high quality silver anodised snap frame. The pole is telescopic, so the height of the stand can easily be altered and the head of the post can be rotated through 360 degrees meaning the frame can be displayed portrait or landscape.

- Strong and lightweight aluminium construction
- 3-way adjustable frame angle
- Telescopic pole
- Heavy duty steel bases

Junior Screens

Our innovative dual purpose mobile screens are incredibly versatile in the classroom, proving very popular with teachers and pupils alike.

Quality ash frames and castors allow the double sided screens to be moved easily within the room. They can be turned to create interest and excitement within the teaching environment, allowing teachers and pupils to interact more closely in spelling, drawing, and maths, more specifically to sub-groups within a class.

Create a quiet corner for stories, or a place where children can rest. The magnetic whiteboard/felt combination makes for an ideal 'question and answers' board.

- Magnetic letters and numbers can be used
- Screens are felt covered and velcro friendly
- All screens come with castors (2 lockable) for ease in moving
- Felt colours – Red, Blue, Green, Grey and Burgundy
- Ash framing 38mm x 42mm

Freestanding Folding Display Stands

Freestanding folding display kits available with PVC or Aluminium frames. PVC framed kits are covered in Nyloop fabric on both sides of the board (PVC frame and double action hinges in black or grey only). Aluminium framed kits are covered with Nyloop fabric on one side of the board (smooth white plastic finish to the reverse). All display stands are supplied with durable Correx carrying cases*. These kits are lightweight and portable and are ideal for open days and small exhibitions. Available in 11 colours (please see page 29).
