### LOUVRED PANELS

Ref	Dimensions W x H	Weight	*NL
G237	457 x 438 mm	2.3 Kgs	48
G240	914 x 438 mm	4.5 Kgs	96
G210	457 x 946 mm	5.0 Kgs	108
G211	914 x 946 mm	9.7 Kgs	216

Colour: Grey

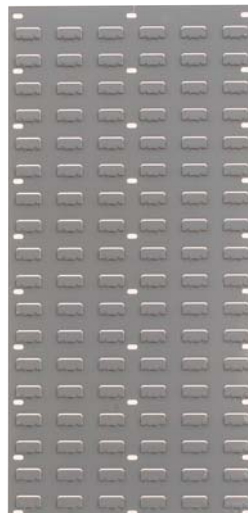

\*NL :- Number of Louvres

#### LV & NL Values

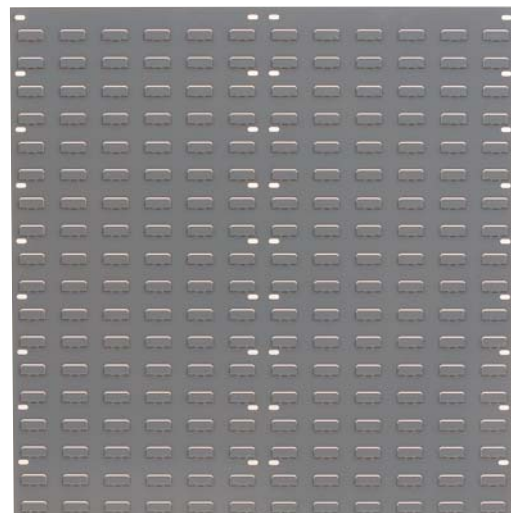

Small parts containers are given an LV number or louvre value (i.e. the number of louvres taken up by the container).

Panels are given an NL number or number of louvres on a panel.

Simply divide NL by LV to estimate the number of containers required.

## ENVIRONMENTAL PRODUCTS

# ENVIRONMENTAL PRODUCTS

For general cleanliness, health and safety, Mailbox offers a range of products that not only protect but also improve your environment. There are litter bins in every style and shape up to our large capacity bins for outdoor use. Mailbox grit bins are widely used on streets, in car parks and loading areas to help ensure free movement of traffic in icy conditions.
