

## Coniston GRP Door Canopy

### Product Information

A GRP door canopy that dramatically enhances a more traditional styled property.

Our mono-pitch canopy has a smooth roof and profile fascia with lead effect roof and is manufactured entirely from GRP.

The door canopy has a 560mm projection. Corbel side brackets are included.

The door canopy roof has a lead effect flashing above the tile effect.

A choice of three roof colours - Teak Brown, Terracotta Red and Slate Grey.

One piece unit for a quick simple installation.

We can manufacture to any width below 1600mm down to 1000mm at the same leadtime and cost, however the order would need to be placed verbally.
