The New Way to reburish your salon

Finance it like a car!

Why pay in cash for your salon furniture when you can lease?

Fixed monthly payments with the advantage that you can claim the tax back! Wiping out most of the interest!

20% OFF

Remember that with us we offer a MASSIVE 20% discount on your salon furniture and equipment.

Example for a 3 position Salon with Beauty room

Sabre Styling Chairs @ £179 each = £537

Mirage Styling Unit @ £209 each = £627

Madid Washpoint @ £369 each = £369

Elite Salon Kit H- @ £899 = £899

In this example the total discounted price is **£2432 +vat** (saving you **£608** already!)
Over a 3 year term the monthly payments would be **£85.29+vat** (eq. To **£19.69 p/w!**)

Total Paid over 36 months = **£3070.44**

20% tax can be reclaimed on the total lease payments over the 3 years = **-£614.09**

Net cost of lease is **£3070.44** (Equipment Cost) - **£614.09** (reclaimed tax) = **£2456.36**

Therefore £2432 worth of furniture has cost £2456.36 to lease over 3 years.
