

# RECYCLING PRODUCTS

## ENVIROBINS

Available with a selection of colour coded lids and a variety of recycling and security apertures, the Envirobin offers the opportunity to create recycling and waste collection points in your site. Waste types include confidential paper, non-confidential paper, plastic bottles, cans and general waste. The 100 litre bin is also available for plastic cups, cans and plastic bottles combined, hooded lid for general waste, and glass bottles and jars.

### SIZES

- 55 litre** - 550 h x 302 w x 523 d (mm)
- 82 litre** - 866 h x 302 w x 541 d (mm)
- 100 litre** - 807 h x 448 w x 448 d (mm)
- 140 litre** - 1220 h x 550 w x 615 d (mm)

## ECOSORT BINS

Suitable for most recycling applications, the Ecosort range offers a convenient and space-saving office recycling solution.

### Available in Midi or Maxi sizes

(With standard, swing or secure lid options)

### SIZES

- 60 litre** - 587 h x 279 w x 762 d (mm)
- 87 litre** - 508 h x 279 w x 762 d (mm)

## ECOPOD

These individual units can either be interlinked, freestanding or wall-mounted, and are available as a Deluxe or Budget model. The Deluxe range includes coloured bins and bags, whereas the Budget model incorporates a standard bin with coloured bags.

The colours used are as specified by WRAP (Waste & Resources Action Plan), for example - blue for paper and red for plastic.

**115 litre** - 935 h x 380 w x 345 d (mm)
