

Busybase® mobile book and tray storage

Combination storage unit with sliding trays

A popular range of storage trolleys that have tray storage to the lower and useful dividers at the top. The trays use non-tilt runners for easy access to the contents. Manufactured from quality 18mm beech effect MFC and edged in tough beech look ABS trim. Easy to manoeuvre on 4 heavy duty castors, two of which are locking. Available with 12 shallow or 6 deep trays; each supplied with a full set of clear trays, or assorted coloured trays as shown.
