## FIXED TAKE OFF BOARDS - LONG JUMP

### Fixed Take Off Boards for Long Jump

Our Schools fixed take off board is the most popular permanent solution and this can be set into the long jump or triple jump runway during the long jump construction process. These are set to finish level so that the tartan surfacing or polymeric surface can be finished flush to either side of it, giving a trip free runway.

### Specification

- Made from Timber
- Painted white
- 1200mm long
- 200mm wide
- 100mm thick

### Other alternative options include

- Line marked - spray paint
- Recessed completion boards

Water House, 35 Water Lane, Wilmslow, Cheshire, SK9 5AR
