

## SPORTS FENCING

### Sports Fencing

We can offer all types of sports fencing to fit your needs from 1m high spectator viewing barriers to full 5m high sports [rebound fencing](#).

The most popular type of sports fence we install, is the 3m high rebound ball court system. This is typically manufactured from 6mm vertical wires and twin 8mm horizontals. The 1.2m rebound system is approx 67x50mm with the remaining 1.8m 200x50mm. This [ball court](#) system can easily be installed at 4m high or 5m high and all our fencing is galvanised and powder coated to our standard colour range.

Below is a small selection of sports fencing additions we can supply

- Full rebound system
- Goal Recess Areas
- Single Leaf Gates
- Double Leaf Gates
- Kick boards
