

**▲ Foot Scrub**

Bio Sculpture® Foot Scrub contains mineral beads, tea tree and peppermint oil. This is an abrasive treatment to remove dead skin and cells from feet. Using your massage brush massage in a circular motion all over the foot to remove dead skin, rinse and apply Bio Sculpture® Foot Mask. To experience an extra cooling effect, also apply to the front of the feet.

Bio Sculpture® Gel – looks as thin and natural as your own nails, only better! Discover the difference of a healthier nail treatment that is a pleasure to use and wear. Bio Sculpture® Gel is a one component nail treatment that strengthens and promotes the growth of natural nails. Bio Sculpture® Gel is merely applied onto the prepared nail, with no time consuming build-up process. It is self-leveling which eliminates excessive buffing and is cured under a UVA Lamp in 2 minutes – no time is wasted waiting for the product to dry. Bio Sculpture® Gel is removable without damage to natural nails by soaking off in less than 15 minutes!
