AEL Royal Technical Data

Brass Wheelhead Angle Valve

Brass Lockshield Angle Valve

Opulent style with modern heating efficiency. AEL Royal radiators are supplied fully assembled in units of up to 10 sections. For lengths in excess of 760mm (10 sections) the radiators can easily be assembled on site. Supplied in a light-grey primer finish only. For a professional powder-coat finish it is essential the baking process is 'Low Bake'. Contact our sales office for further details.
