# FBS Contracts Limited

## The Company

Since its formation in 1992, FBS Contracts Ltd has rapidly established itself as one of the leading manufacturers within the industry of specialist hospital furniture. They have built up a broad customer base including many of the NHS Hospitals.

FBS Contracts is one of a limited number of companies that employs its own installation teams to ensure high quality workmanship throughout the project. All Fitters hold current CSCS cards. We operate Autocad version 2006 and guarantee professional project management from design to installation. Staff are highly experienced, qualified and completely motivated towards the goal of 'total customer satisfaction'.

FBS are registered on Constructionline (no. 51682), Building Register (no. 0000211928) and are a CHAS registered contractor

Our sales team will be able to offer personal assistance in the design of your hospital in accordance with your specific requirements and relevant HTM and British Standards.
