

People say **great things** about the PHAB Toolkit!

Paul Griffin, Salon Owner, Zenith Hairdressing, Galway, Ireland.

"PHAB Toolkit videos have been great for filling knowledge and skill gaps. It's so easy to cherry pick the most appropriate clips, to personalise my training for individual staff members.

As a former educational director, I believe students would be much better prepared to handle the nitty gritty of salon life after using PHAB Toolkit. It's the best and most affordable, tailored training resource I have come across, online, in 20 years of salon management."

PHAB Salon Toolkit covers the range of salon management 'bugbears'...

Great first impressions, good manners, detaching the 'pushy' label from retail sales, elevating yourself from an ordinary to a great salon professional, teaching staff to re-book customers at every visit, perfecting consultation skills, optimising the salon/spa receptionist's role, the best way to manage teams and the purpose of performance reviewing.

And we're adding **new titles** all the time!
