

An irresistible EPOS system with an exclusive, innovative concept designed to free up space beneath your terminal's touchscreen!

Designed by EPOS manufacturer **AURES**, **sango** is a completely new concept - original and innovative - of all-in-one till management system; one of its many unique features is to completely free-up the space under the touch screen.

With no intrusive base, stand or foot, unlike other EPOS systems on the market, **sango** soars effortlessly, as if weightless, offering and revealing a space traditionally occupied by the central unit and motherboard; elegantly attached and suspended from its offset cast aluminium arm, the system's real exo-skeleton and support for its technological core (CPU), **sango** combines minimalist aesthetics and ease-of-use (a dedicated till drawer can be housed under the screen) - as well as lower power consumption.

Stable and rigid, its thin metal base (a natural extension of the slender and

beautifully-designed arm) acts as a heat sink.

This new EPOS will adapt to the technology requirements of all users: 3 types of processors are available, as well as a range of connection options. The flat LED touch monitor, with an edgeless display surface, is offered in resistive and/or multi-touch projected capacitive versions.

It's glossy polycarbonate finish, featuring a mix & match range of **seven colours** (White, Black, Red, Blue, Orange, Grey and Cassis) takes AURES' colour revolution, launched in 2005 with the Odysseé, to new heights - adding the finishing touch to retailers' visual identity, right the way through to the till point.

sango irresistible epos

- + Free space under the screen
- + Ergonomic touch screen
- + High quality display
- + 3 different types of processors available
- + Multiple connection options
- + INTEL HD Graphics 4000 core
- + Flash memory
- + Fanless EPOS terminal (no ventilation)
- + High quality materials and detailed finishes
- + Associated peripherals available (options)
- + 7 colours

MODEL	2550	1047	i3
Processor	Intel Cedar Trail D2 550 1,86 Ghz	Intel Ivy Bridge 1047 UE 1,40 Ghz	Bridge i3 - 3217U Intel Ivy 1,80 Ghz
Chipset	Intel NM10	Intel HM 76	Intel HM 76
Memory (RAM)	2Go DDR3 SODIMM to 4Go (1067 MHz)	2Go DDR3 SODIMM	2Go DDR3 SODIMM to 8Go (1333/1666 MHz)
Graphics Memory	GMA 3650	Intel HD Graphics Core	Intel HD Graphics 4000 Core
HDD	1 x HDD 2,5" (rack mounted)		
Flash Memory	SSD (optional)		
Touch Panel	15" LED backlit LCD ELO Touch resistive or projected capacitive multi-touch panel (with Ivy Bridge i3)		
Resolution	1024 x 768		

INPUTS / OUTPUTS

Front

Power button	1	
USB	2 x USB 2.0	2 x USB 3.0

Rear

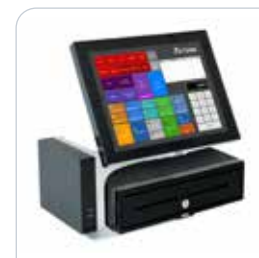

USB	4 x USB 2.0	2 x USB 2.0 + 2 x USB 3.0
Serial/COM	4 x RJ48 (2 self-powered)	
LAN	1 LAN 10/100/1000	
Cash drawer	1 x RJ 11 (12V / 24V)	
Display Port	1 (for 2 nd screen)	

DIVERS

Port mini PCI e	integrated
Alimentation	external 65W – adapterr 19V /4,7A
Dimensions (W x D x H)	410 x 260 x 380mm (working position tilted at 45°)
Net weight	8.70kg (not including power supply or customer display)
Materials	cast aluminium and polycarbonate
Comptabile OS	Windows XP, POS Ready 2009, XP Embedded, Linux, Windows 7, POS Ready 7
Colours	7 modular colours (polycarbonate covers) White, Black, Red, Orange, Blue, Grey, Cassis

OPTIONS

Graphic customer display (high readability)
Cards, Dallas keys - & Addimat readers
1D and 2D barcode readers
2 nd screen (dual screen system)
