

HAIR DEVELOPMENT HAS BEEN AT THE LEADING EDGE OF HAIR EXTENSIONS,

professional hair extensions systems and hair replacement systems for men and women for over 40 years. As a world-renowned expert in hair extensions and hair replacement, we bring the latest innovations to professional salons and consumers who demand the highest quality, a completely natural look, undetectable results and great value for money.

Based in London, Hair Development is a pioneer in the hair extensions and hair replacement industry. As suppliers, wholesalers and retailers, we are recognised as specialists and experts in our field and we bring together the latest research and development, technology and scientific processes to achieve the latest styles with reliability and total confidentiality. Our aim is to make sure you look and feel your best with total confidence.
