

# SAFETY DATA SHEET

Date of Issue: January 1999

Code: FWG/511/02

Page 1 of 2

## 1. Identification of the Substance/Preparation and Company

### F 511 FLOORMASTER RELEASE ADHESIVE

Company: Floorwise Group Ltd  
Floorwise House, 22 High Street  
Kegworth, Leicestershire DE74 2DA  
Tel: (01509) 673974 Fax: (01509) 674841

## 2. Composition / Information on Ingredients

Acrylics emulsion with additives and fillers with trace of preservative that is designated as not dangerous as defined in the Chemicals (Hazard Information and Packaging for Supply) 1994 Regulatory Information.

## 3. Hazards Identification

The product is non-hazardous. General cleanliness in use should be observed.

## 4. First Aid Measures

Inhalation: Provide patient with fresh air and seek medical advice.  
Eye contact: Irrigate thoroughly with water and seek medical advice.  
Skin contact: Wipe off excess with a paper towel, then clean with resin removing cream or hand cleanser. DO NOT use solvents. Finally wash with soap and water.  
Ingestion: DO NOT induce vomiting. Seek medical advice.

## 5. Fire Fighting Measures

The material is incombustible in emulsion form. Use appropriate extinguisher for the surrounding conditions.

## 6. Accidental Release Measures

Do not allow to enter drains or water courses. Absorb on dry earth or sand. Collect up by shovel or scraper, then scrub affected area immediately with detergent and water.

## 7. Handling and Storage

Avoid frost and freezing conditions in storage and transport. Store in a dry place in the temperature range 5° to 30° C.

## 8. Exposure Controls/Personal Protection

Use goggles and protective clothing.

## 9. Physical and Chemical Properties\*

Appearance: Off white paste  
Relative density: 1.1 g/ml  
Miscibility: Miscible with water  
pH: Approx. 7

\* These figures are typical and do not constitute a specification

# SAFETY DATA SHEET

**Date of Issue: January 1999**

**Code: FWG/511/02**

**Continuation Page 2 of 2**

## **10. Stability and Reactivity**

Avoid freezing conditions.

In a fire, smoke and fumes with carbon dioxide and carbon monoxide will be generated with a small amount of acid gases.

## **11. Toxicological Information**

The product is non-hazardous but ingestion may cause obstruction.

Contact with the eyes may cause physical damage

## **12. Ecological Information**

Contamination of both terrestrial and marine environments should be avoided.

## **13. Waste Disposal**

This material is not such as to be classified as "special waste" as the term is defined by The Special Waste Regulations 1996 and may be disposed off by landfill tipping.

## **14. Transport Information**

Not Applicable.

## **15. Regulatory Information**

Copolymer emulsion with fillers and additives which is not dangerous as the term is defined in the Chemicals (Hazard Information and Packaging for Supply) Regulations 1994.

## **16. Other Information**

This product should be used as directed by Floorwise Group Ltd.

*The data contained in this Safety Data Sheet has been supplied as required by the Chemical (Hazard Identification and Packaging for Supply Regulations 1994), for the purpose of protecting the health and safety of industrial and commercial users who are deemed capable of understanding and acting on the information provided.*

This Safety Data Sheet was compiled using the current safety information supplied by the distributors of the component materials.

This information is given in good faith, being based on the latest knowledge available to the Floorwise Group Ltd. No known relevant information has been omitted from this Safety Data Sheet and the information provided is designed to enable the user to use the product safely. The user should not assume on the basis of the information provided in this sheet that the product is suitable for any abnormal use. If the information provided is insufficient to ensure safety in any particular application, contact the Floorwise Group for further advice before the proposed application is undertaken

This Safety Data Sheet, in the CHIP format, supersedes all previous issues, and users are cautioned to ensure it is current. Destroy all previous data sheets, and if in any doubt, contact Floorwise Group Ltd.
