

Key Rings - Branded Trolley Tokens

Never have a £1 coin when you need one?

The original **Pound for Life trolley token**® coin substitute is the most cost effective promotional tool on the market!

Simply attach to your key ring, and when in need of a coin for your trolley or locker, simply detach the token and use time and time again.

For use in supermarket trolleys, gym lockers, sports clubs, swimming pools, stations and airports...

- Unbeatable quality and value.
- Available in any currency.
- Choose from silver, black nickel or gold for the finish.
- Lifetime 'peace of mind' guarantee on your enamel tokens.
- Available in eco-friendly plastic for rush lead times.
