Streetsure

A Bellsure subsidiary

THE COMPLETE STREET FURNITURE PACKAGE

- ▶ SPECIALISTS IN CYCLE PARKING SYSTEMS
- ▶ MANY FINISHING OPTIONS AVAILABLE
- ▶ BESPOKE, STATE-OF-THE-ART MANUFACTURE
- ▶ FLEXIBLE LEAD TIMES
- ▶ COMPLETE FABRICATION AND TUBE BENDING FACILITIES

Sheffield hoop

▶ The UK's number 1 Cycle Stand. Available as surface mounted or sub surfaced. Finishes are available in galvanised, powder coated or stainless steel.

Two tier stand

▶ A space efficient design which can be adapted to fit any storage area.

Wall/floor rack

▶ A modular cycle storage system which can be added to as required. Can be floor or wall mounted.

Bellsure offers a single source solution for all your cycle parking requirements. We have worked with developers, contractors, schools and hospitals to create a wide range of cycle stands so extensive that we cannot show them all here. Our best selling products are always in stock but we also specialise in bespoke manufacturing without compromising on cost.

Butterfly stand

- ▶ Popular space-saving design
- ▶ Available as individual holders or in a rack
- ▶ Wall and floor-mounted options available
- ▶ Optional 90° or 45° setting

Hi-low stand

- ▶ Is your space limited? Try this Hi-low system to fit more bikes into condensed spaces

Duo stand

- ▶ Offers greater support and added security
- ▶ This version takes two bikes

Verti-stand

- ▶ Vertical cycle stands are common in bike stores where space is limited, especially in flats and apartments
- ▶ Offers front and back wheel locking

Cycle locker

▶ Cycle lockers are ideal for high security requirements. Horizontal and vertical options available with various finish and locking options.

Dereham shelter

▶ The Dereham shelter is contemporary looking and very robust.

Carrick shelter

▶ A very popular shelter in most public areas and can be constructed to house any number of cycles.

Our Streetsure department at Bellsure manages your project from design to installation, whether it is a simple bike shelter or a tailor-made covered seating area. We like to emphasise our bespoke manufacturing service and flexibility in design. We know every requirement is different and has its own criteria. Call Bellsure today to discuss your project.

Timber shelter

- ▶ Manufactured from treated soft wood
- ▶ Enclosed options available
- ▶ Bespoke manufacturing

Walkway

- ▶ Modular walk way system.
This shelter can be adapted to be used as a cycle shelter or a smoking shelter. Please ask for more details

Carrick compound

- ▶ A locking compound shelter.
- ▶ Security gate and internal cycle stand options

Moon shelter

- ▶ Very sturdy and stylish shelter complete with 6 cycle stands
- ▶ Extendable to accommodate 12 cycles

Bollards

▶ Bollards of every kind from standard galvanised to polyurethane and stainless steel. Surface mounted, concrete-in options and removable/retractable types.

Protectors

▶ Protectors available for trees, corners, signs, posts and many other applications. Contact Streetsure for your requirements.

Perimeter barriers

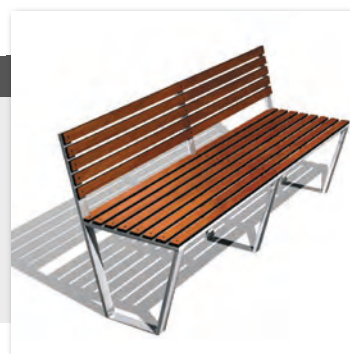

▶ Ideal for car parks and perimeter protection. Available in many heights, lengths and mounting options.

Bellsure offer tailor-made solutions for your street furniture and access control requirements.

From simple bollards to matching furniture suites, we will help you with the requirements for your development.

Seating

▶ Call the Streetsure department on 01483 568287 for more information on our range of outdoor seating options
