

*Let us work together and build a long  
term, profitable relationship*

**E-MEDIAVISION  
COMPANY PROFILE**

## Introduction

E-mediavision Ltd, based in London UK is a leading manufacturer of Telestrator & Annotation solutions, Video Wall processors, Multi-Channel High Definition Recorder Systems and Video Imaging & Display solutions. The company's innovative products and solutions are actively used by some of the world's leading broadcast corporations. E-mediavision provides motivated OEM partners white labelled solutions for resale customized for their own brands.

## SOLUTIONS FOR DIVERSE MARKETS

**BROADCAST AUDIO VISUAL TELE-MEDICINE EDUCATION SECURITY .....**

**HIGH PERFORMANCE COST EFFECTIVE SOLUTIONS**

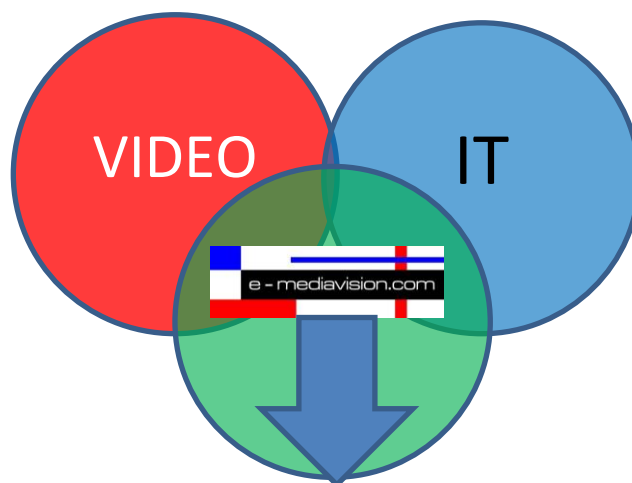

## Company History

Founded in 2000 by Managing Director Kash Acharya, e-mediavision has continually released innovative products and solutions that encompass mainstream Broadcast, Audio Visual, Security, Tele-Medicine, Education and IT markets amongst others. E-mediavision products are in use by some of the world's leading companies.

E-mediavision's mission since its formation was to help broadcast, audio visual and security markets bridge the gap between traditional video & IT, in order to provide flexible, adaptive, high performance and cost effective solutions.

***We Bridge the Gap between Video & IT***

## A Trusted Partner

Our philosophy and company culture is focused on building long term relationships with our clients and channel partners. We directly engage with our clients and learn about their needs and requirements which allows us to design and develop solutions that meet expectations. We aim to provide a superior level of support where clients and partners have direct access to a single point of contact from start to finish.

## *Building Long Term Relationships*
