## This month's special: Jeiotech Shaking Bath

Models: BS-06, BS-11, BS-21 & BS-31

The BS series offers a truly comprehensive range of Shaking Waterbaths. Packed with user-friendly features as standard along with the attention to detail in the design and manufacturing, make these baths a very economical proposition.

The shaking mechanism operates by a brushless DC motor giving finer speed control with less noise and transmitted vibrations.

### Some of the superb features:

You can find more information online at [www.severnsaleslabequip.com](http://www.severnsaleslabequip.com)

- 4 sizes – 17 to 55 litres
- Ambient +5 to 100°C temperature range
- Microprocessor PID controller with splash-proof keypad
- Dual digital displays
- Digital timer with delayed start / stop function
- Separate over-temp limiter
- Corrosion resistant SS tank, carriage & lid
- Independent controls for the shaking mechanism
- Reciprocal shaking motion with soft start

Starting from  
**£1905.00** Model BS-06

## Welcome

Welcome to the August edition of Severn Sales "Preview" brochure - giving you the latest snapshot of our stock of used laboratory equipment.

If you don't see the item you're looking for illustrated, do give us a call - we may know of something for sale or coming into stock soon that matches your requirements.

We would also particularly **draw your attention to the range of Jeiotech shaking waterbaths - the "product of the month"** - an ideal tool for consistent, controllable agitation for your samples at a precisely controlled temperature. **We have secured a special discount from our suppliers for this range of baths this month which we are glad to pass on to our customers, so seize your opportunity!**
