Our commitment to you!

Severn Sales mission is to help companies like yours through the supply of both new and refurbished used equipment. A large number of used items have come into stock recently - see over the page - and every item comes with our three month guarantee.

Our aims as a company are to support laboratory personnel in their work, and we are also committed to monthly charitable giving, making a contribution back to the community.

Last month we participated in the Berkeley Stampede-a-thon event on the 29th August, and raised £1731.00 towards a donation to an education charity. Thank you to all our customers and suppliers who supported us in this enjoyable and worthwhile event.

Now we are back at our desks - alert and ready to be responsive to your next enquiry. **What can we do to help you? Give us a call today.**
