## Portable Overspray Extraction System

When spraying a client, tanning solution overspray descends rapidly but with this bespoke extractor fan, any overspray is minimised.

For the best results simply position the unit on the floor behind the client. Position the extractor upright when spraying feet and lower legs. Change to reclined position when spraying upper legs and body, moving the client forward as spraying progresses up the body.

### Features:

- Vastly reduces mist and particle deposits
- Economical and efficient
- Ideal solution where space is limited
- Powerful, quiet fans
- Lifetime warranty
- Unit is re-circulatory - filtered air is exhausted back
- Complete with backstand and carrying handle
- Illuminated on/off switch
- Finish in dove grey or black.

## Pop-Up Spray Cubicle

Even the most experienced Urban Tan therapist will create some overspray. This pop-up spray cubicle is the ideal, portable solution for mobile spray therapists and for any salon or location where space is limited.

### Features:

- Unfolds in seconds with no poles
- Folds away neatly into its own black carry bag with shoulder straps
- Easy to maintain
- Built in waterproof floor
- Removable clear vinyl roof
- Water and flame proof internally
- Extraction flap provided so extractor can be added if required.

## Aroma Zone Fragrances

Personalise your tan with the choice of one of six Urban Tan Aroma Zone fragrances. Each one contains essential oils designed to appeal to an individual's mood.

So if you're looking for a zesty pick-up, it's Fruit Vibe for you or for a more sultry aroma, Holiday Romance will hit the spot. The balanced fragrances in Aroma Zone when blended with the Urban Tan solution, will also help disguise any faint aroma that some people experience when using spray tans (DHA and Erythrulose based products).

## Urban Tan Training

Urban Tan recognises that no matter how great the spray solution, you must apply it correctly to deliver the perfect tan.

We offer a range of excellent quality training options. Full spray training (including Body Contouring with a Caddy purchase) with certification for insurance is available at our Training Days. Did you know spray tanning certification is required to obtain insurance, whether you are a mobile operator or a salon?

Urban Tan offers a range of excellent quality training opportunities. Select one of our regional Training Days taking place around the UK throughout the year.

Did you know an Urban Tan training consultant can even train in your own salon or at your home for a one-off flat fee.
