Why Gradus

Gradus is the market leader in contract flooring accessories and offers the widest choice in product solutions for stairs and floors.

All our products are designed to ensure the correct balance between safety, performance and aesthetics and are suitable for a wide variety of contract applications.

Gradus is a member of the Contract Flooring Association

Gradus is a member of the RIBA CPD Providers Network

Gradus is a member of NBS Plus

ISO 9001 : FM 10763
ISO 14001 : EMS 59511

BS OHSAS 18001
IV 18/18493

Quality

- 10 year warranty against material and manufacturing defects under normal use and service, subject to materials being installed and maintained to our recommendations. Look out for products that carry the 10 year warranty
- ISO 9001 Quality Management accredited company
- OHSAS 18001 Occupational Health & Safety

Design

- Safety: products are developed with safety at the forefront of design. All stair edgings and floor trims effectively contribute to a reduction in slip and trip accidents
- Performance: extensive research and testing to ensure durability and appearance retention throughout a product's life
- Aesthetics: a variety of colours and finishes ensure harmonisation with interior designs and allow visual contrast to be achieved where relevant
- In-house product design and development

Sustainability

- ISO 14001 Environmental Management accredited company
- Our pledge is 'To meet our present business needs without compromising our long term future'
- We have a firm set of environmental objectives allowing us to focus on raw material selection, legislation, waste reduction, training and recycling

Knowledge

- Member of the Contract Flooring Association (CFA)
- Registered member of the RIBA CPD Providers Network
- Technical Support
- Member of NBS Plus
- Investor In People
- Network of trained specification consultants
