## Cleansing Skin Wipes

*enriched with aloe vera*

Enriched with aloe vera to leave the skin feeling soft and smooth. Ideal for cleansing the skin prior to treatments or for refreshing the skin following treatment. Supplied in a convenient re-sealable tub to ensure wipes remain fresh and moist.

100 wipes (185 x 135mm): £4.50+vat

## Keyboard & Till Wipes

Formulated to keep keyboards, tills, calculators, phones etc hygienic and clean. Great for work and home! Supplied in a convenient re-sealable drum to keep wipes moist.

100 wipes (185 x 135mm): £4.50+vat

## Foot Spa & Pedicure Bowl Disinfectant

Thoroughly cleans and disinfects foot spas and pedicure bowls. Enzymatic action removes hazardous bio-film from circulatory pipes. Effective bactericidal and fungicidal action. Essential disinfectant for all foot spas and pedicure bowls.

2 litre (makes 100 litres): £27.50<sub>+vat</sub>

5 litre (makes 250 litres): £54.95<sub>+vat</sub>

## Anti Bacterial Floor Cleaner

Mundo Anti Bacterial Floor Cleaner concentrate is perfect to keep floors hygienically clean. This highly concentrated product makes 500 litres of cleaning solution and helps eliminate unpleasant odours.

5 litre (makes 500 litres): £22.95<sub>+vat</sub>

## Multi Surface Disinfectant Foam

*alcohol free*

SAVE  
£44.55

Ready to use foaming disinfectant, formulated for effective cleaning and disinfection of most surfaces including PVC, vinyl and alcohol sensitive finishes. The specially designed non-aerosol bottle changes the liquid to a foam when dispensed. Perfect for vinyl couches, chairs and sunbeds! Effective against fungi, viruses and bacteria including MRSA, E-Coli, C-dif and a diverse range of micro organisms.

200ml: £6.95<sup>+vat</sup>

2 litre refill: £24.95<sup>+vat</sup>

## Multi Surface Disinfectant Wipes

*alcohol free*

For effective cleaning and disinfection of most surfaces including PVC, vinyl and other alcohol sensitive finishes. Perfect for vinyl couches, chairs and sunbeds! Effective against fungi, viruses and bacteria including MRSA, E-Coli, C-dif and a diverse range of micro organisms.

100 STANDARD wipes (185 x 135mm): £4.50<sup>+vat</sup>

200 EXTRA LARGE wipes (200 x 220mm): £7.95<sup>+vat</sup>

## Hard Surface Disinfectant Spray

For rapid disinfection of most hard surfaces, including metal instruments and tools, files, combs, work surfaces, metal surfaces and surfaces where quick disinfection is required. Suitable for use on alcohol compatible surfaces only. Effective against fungi, viruses and bacteria including MRSA, E-Coli, C-dif, a broad spectrum of pathogenic bacteria and a diverse range of micro organisms.

*For alcohol sensitive surfaces such as PVC and vinyl, we recommend Mundo Multi Surface Disinfectant Foam or Mundo Multi Surface Disinfectant Wipes.*

500ml: £5.95<sup>+vat</sup>

2 litre refill: £17.95<sup>+vat</sup>

## Hard Surface Disinfectant Wipes

A professional surface disinfection/cleaning wipe formulated to both clean and disinfect hard surfaces, including furniture, equipment and non-invasive instruments and devices. Effective disinfection against fungi, viruses and bacteria including MRSA, E-Coli and C-dif and a diverse range of micro organisms.

100 STANDARD wipes (185 x 135mm): £4.50<sup>+vat</sup>

200 EXTRA LARGE wipes (200 x 220mm): £7.95<sup>+vat</sup>

*For alcohol sensitive surfaces such as PVC and vinyl, we recommend Mundo Multi Surface Disinfectant Foam or Mundo Multi Surface Disinfectant Wipes.*

**SAVE**  
£22.65

## Nail Plate Cleanser

An advanced formulation that removes enamel and contaminants from the nail plate. Ideal for use before applying enhancements or enamel. The product temporarily dehydrates the nail plate, providing greater adhesion properties. With its bactericidal and fungicidal properties it significantly reduces the risk of fungal infection associated with nail enhancements.

250ml: £5.95<sup>+vat</sup>  
2 litre: £24.95<sup>+vat</sup>

*Don't forget gauze pads (page 10)*

## Nail Enamel Remover *acetone free*

A high quality acetone free formulation to effectively remove enamels and varnishes from nails.

250ml: £2.95<sup>+vat</sup>  
2 litre: £14.95<sup>+vat</sup>

**SAVE**  
£8.65

## Product Remover

A high grade formulation to effectively remove nail enhancements. Tests have shown this to work up to 30% faster than other proprietary brands.

250ml: £2.95<sup>+vat</sup>  
2 litre: £14.95<sup>+vat</sup>

**SAVE**  
£8.65

## Rapid Instrument & Tool Disinfectant

A technically advanced solution for fast and effective disinfection of instruments and tools, including burs. The solution is ready to use and provides effective disinfection in only 5 minutes. No need to rinse following disinfection. Change once a week. Effective against fungi, spores, viruses and bacteria including MRSA, HBV/HIV, TB and a diverse range of micro organisms.

2 litre: £10.95+vat

*For great value disinfection jars and trays, see page 13*

## Concentrated Instrument & Tool Disinfectant

A highly concentrated solution for effective disinfection of instruments and tools including burs. Makes 100 litres of disinfection solution. Provides effective disinfection in only 60 minutes. Change twice a week. Effective against fungi, spores, viruses and bacteria including MRSA, E-Coli, HBV/HIV, TB, Pseudomonas Aeruginosa and a diverse range of micro organisms.

2 litre: £19.95+vat

*Perfect for using with Mundo Disinfection Tray or Desk Top Jar (page 13)*

**SAVE  
£24.05**
