## Storage Units in Detail

### Open Storage Units

Open storage units with adjustable vertical dividers are manufactured from white powder coated aluminium. They are ideal for storing and organising files, envelopes and items of stationery. When used in a vertical stack, the lid is only necessary for the top unit. All units have a generous lip for labelling purposes.

<b>30.201</b>	Open storage unit (will hold 7 dividers)	600 x 325mm
<b>30.207</b>	Open storage lid	600mm
<b>30.213</b>	Open storage unit (will hold 9 dividers)	750 x 325mm
<b>30.212</b>	Open storage lid	750mm
<b>30.204</b>	Open storage unit divider	280mm

Open storage units are also available with a fixed centre shelf to provide greater flexibility of use as well as improved storage for smaller items.

<b>30.202</b>	Open storage unit with fixed centre shelf	600 x 325mm
<b>30.207</b>	Open storage lid	600mm
<b>30.216</b>	Open storage unit with fixed centre shelf	750 x 325mm
<b>30.212</b>	Open storage lid	750mm
<b>30.205</b>	Open storage unit divider	135mm

### Bulk Storage Units

Bulk storage units are manufactured in white powder coated aluminium. They are lightweight and the adjustable shelves can be stored flat when not in use. They are designed to house larger items such as photocopy paper, work wear or tools and are ideal for high-density storage when stacked vertically.

<b>30.210</b>	Bulk storage unit sides (supplied in pairs)	425 x 425mm
<b>30.211</b>	Bulk storage unit shelf	600 x 425mm
<b>30.215</b>	Bulk storage unit shelf	750 x 425mm

### Wire Baskets

Wire baskets are used to provide visible containment for loose items that require safe storage such as post, bottles and clothing. They are manufactured from PVC coated heavy-duty steel mesh and are produced in two standard sizes with alternative sizes available on request. Wire baskets can be hung directly from the rail or can be supported by a wire basket frame.

<b>30.421</b>	Wire basket	625 x 430 x 425mm
<b>30.424</b>	Wire basket	630 x 370 x 300mm

### Wire Basket Frames

Wire basket frames are manufactured from powder coated aluminium tube section supported from anodised aluminium brackets

<b>30.422</b>	Wire basket frame	1230 x 500mm
<b>30.425</b>	Wire basket frame	600 x 500mm
