## Worktops and Sinks in Detail

The Toprail range of worktops is ideal for a variety of applications from computer workstations to sterile laboratories.

### Linoleum Worktops

Linoleum worktops are manufactured in 500mm or 800mm depths and a variety of widths, using the Marmoleum Real range from Forbo Nairn. Standard colours are Dove Blue and Papyrus White, with special colours from this extensive range available to order. These worktops must be ordered in conjunction with the correct heavy-duty brackets.

<b>30.770</b>	Worktop in linoleum	600 x 500mm
<b>30.771</b>	Worktop in linoleum	1230 x 500mm
<b>30.772</b>	Worktop in linoleum	750 x 500mm
<b>30.773</b>	Worktop in linoleum	1530 x 500mm
<b>30.775</b>	Worktop in linoleum	1530 x 800mm

### Powder Coated Aluminium Worktops

White powder coated aluminium worktops have the added advantage of being used as extra wide shelves. Aluminium worktops must be ordered in conjunction with the correct heavy-duty brackets.

<b>30.716</b>	Worktop/shelf	600 x 500 x 40
<b>30.717</b>	Worktop/shelf	1230 x 500 x 40
<b>30.713</b>	Worktop/shelf	750 x 500 x 40
<b>30.714</b>	Worktop/shelf	1530 x 500 x 40
<b>30.718</b>	Worktop/shelf-perforated	600 x 500 x 40
<b>30.719</b>	Worktop/shelf-perforated	1230 x 500 x 40
<b>30.739</b>	Worktop/shelf-perforated	750 x 500 x 40
<b>30.751</b>	Worktop/shelf-perforated	1530 x 500 x 40

### Aluminium Worktops with Inserts

White aluminium worktops with inserts have aluminium bracket inserts that connect the worktop quickly and simply to the slotted upright at any desired height.

<b>30.703</b>	Worktop with inserts	600 x 500mm
<b>30.701</b>	Worktop with inserts	750 x 500mm

### Stainless Steel Worktops

Stainless steel worktops are ideal for more difficult working environments where hygiene is paramount. Stainless steel worktops must be ordered in conjunction with the correct heavy-duty brackets.

<b>30.726</b>	Stainless steel worktop	600 x 500 x 40mm
<b>30.728</b>	Stainless steel worktop	1230 x 500 x 40mm

### Laminate Worktops

Laminate worktops are supplied to order in a range of shapes and sizes - heavy-duty brackets should be ordered to suit the correct size

<b>30.722</b>	Laminate worktop	600 x 500mm
<b>30.723</b>	Laminate worktop	1230 x 500mm
<b>30.727</b>	Laminate worktop	750 x 500mm
<b>30.729</b>	Laminate worktop	1530 x 500mm

### Fold Down Tables

Fold down tables are supplied with a white powder coated aluminium work surface with integral fold down hinges and with 'rapid release' finger tip control to lower and raise and automatically lock into position. In this instance we recommend that security brackets are used on each slotted upright. Alternative work surfaces can also be provided.

<b>30.760</b>	Fold down table	600 x 500mm
<b>30.761</b>	Fold down table	750 x 500mm

### Sinks

Sinks are supplied to fit 600mm bays only and incorporate a deep bowl and integral splash-back panel. Taps may be mounted where required. Waste outlets and flexible connections are not included.

<b>30.734</b>	Sink	600 x 500mm
