

FAECAL ODOUR ELIMINATOR®

Tropical

Combat Flatulent Malodour

FAECAL ODOUR ELIMINATOR eradicates faecal, urine, malodour and any noxious odour by using Ruhof's molecular modification system.

F.O.E.® does not mask the odour it actually changes the molecular structure of foul emissions into a harmless, odourless gas.

Using F.O.E.® before and after a procedure or whenever noxious odours occur ensures a pleasant environment for nurses, physicians and patients.

**Guaranteed to eliminate faecal,
urine and malodour odours.**

**F.O.E. Tropical is also effective
on all other foul odours.**

**With F.O.E. Tropical, staff and patients
are assured of a pleasant environment.**

AVAILABLE IN

Cat No 345FOEUK

Unit of issue - 1 x 125ml

DIRECTIONS FOR USE

Spray F.O.E. into the room before and after procedure or whenever noxious odours occur. The product sprayer should dispense a fine mist.

To clear a blockage of the sprayer, dispense the first couple of squirts into a tissue or paper towel.
