THE UNIFORM BRAND

Rizues - Your Partner for Uniform Supply

Welcome to the new Rizues catalogue. We are delighted to present our latest collection which covers all your uniform needs.

At Rizues, we are continually developing and improving the designs and structure of garments - everything from pleating on our healthcare tunics to aid movement and comfort, through to additional pockets on our action trousers for the practical working environment.

All our garments are developed and constructed taking into consideration the views and feedback from our wearer focus groups. Our philosophy is simple - we listen, we design. Add our wealth of experience, knowledge of garment manufacturing and practical experience within the industry, and the results are a complete package of customer service focused uniform supply.

Fabrics

We use a variety of fabrics including polyester/cotton which is suitable for high temperature washing (80°C) and commercial laundry (with no colour loss - ideal where infection control measures are in place), through to soft touch polyester stretch fabrics within our blouses. Also, printed fabrics developed especially for our Patient Dignity Wear.

- 1.2 In these Conditions references to any statute or statutory provision shall unless the context requires otherwise include a reference to that statute or statutory provision as from time to time amended, consolidated, modified, extended, re-enacted or replaced.
- 1.3 In these Conditions references to the masculine include the feminine and the neuter and to the singular include the plural and vice versa as the context admits or requires.
- 1.4 In these Conditions headings will not affect the construction of these Conditions.

2 APPLICATION OF TERMS

- 2.1 Subject to any variation under condition 2.3 the Contract will be on these Conditions to the exclusion of all other terms and conditions (including any terms and conditions which the Buyer purports to apply under any purchase order, confirmation of order, specification or other document).
- 2.2 No terms or conditions endorsed upon, delivered with or contained in the Buyer's purchase order, confirmation of order, specification or other document will form part of the Contract simply as a result of such document being referred to in the Contract.
- 2.3 These Conditions apply to all the Company's sales and any variation to these Conditions and any representations about the Goods shall have no effect unless expressly agreed in writing and signed by a director of the Company.
- 2.4 Each order for Goods by the Buyer from the Company shall be deemed to be an offer by the Buyer to purchase Goods subject to these Conditions.
- 2.5 No order placed by the Buyer shall be deemed to be accepted by the Company until a confirmation of order is issued by the Company in writing or by email to the address or email address provided or (if earlier) the Company delivers the Goods to the Buyer. Acceptance of delivery of the Goods shall be deemed to be conclusive evidence of the Buyer's acceptance of these terms and conditions.
- 2.6 The Buyer must ensure that the terms of its order and any applicable specification are complete and accurate.
- 2.7 If the Goods are to be manufactured or any process is to be applied to the Goods by the Company in accordance with a specification submitted by the Buyer, the Buyer shall indemnify the Company against all loss, damages, costs and expenses awarded against or incurred by the Company in connection with, or paid or agreed to be paid by the Company in settlement of any claim for infringement of any patent, copyright, design, trademark or other industrial or intellectual property rights of any person which results from the Company's use of the Buyer's specification.
- 2.8 The Company reserves the right to make any changes in the specification of the Goods which are required to conform with any applicable statutory or EU requirements or where the Goods are to be supplied to the Company's specification, which do not materially affect their quality or performance.
- 2.9 The Company reserves the right to withdraw from sale any of the Goods contained in the Company's catalogues, brochures or website or otherwise held by the Company without first giving prior notification to the Buyer.
- 2.10 Any quotation is given on the basis that no contract will come into existence until the Company despatches an acknowledgement of order to the Buyer. Any quotation is valid for a period of 30 days only from its date, provided that the Company has not previously withdrawn it.
- 2.11 Subject to condition 4.5 no order which has been accepted by the Company may be cancelled by the Buyer except with the written consent of the Company and on terms that the Buyer will indemnify the Company in full against all losses (including loss of profit) costs (including the costs of all labour and material used), damages, charges and expenses suffered or incurred by the Company as a result of such cancellation.

3 DESCRIPTION

- 3.1 The description of the Goods shall be as set out in the Company's catalogues or website.
- 3.2 All drawings, descriptive matter, specifications and advertising issued by the Company and any descriptions or illustrations contained in the Company's catalogues, brochures or website issued or published for the sole purpose of giving an approximate idea of the Goods described in them. They will not form part of this Contract.
- 3.3 The Goods are subject to availability. If on receipt of the Buyer's order the Goods are not available, the Company will inform the Buyer as soon as possible, and refund or recredit the Buyer for any sum that has been paid by the Buyer or debited from the Buyer's debit or credit card for the Goods.

4 DELIVERY

- 4.1 Unless otherwise agreed in writing by the Company delivery of the Goods shall take place at the address provided by the Buyer to the Company.
- 4.2 Unless otherwise agreed in writing by the Company the Goods shall be delivered by such means as the Company thinks fit.
- 4.3 Any dates specified by the Company for delivery of the Goods are intended to be an estimate and time for delivery shall not be made of the essence by notice. If no dates are so specified, delivery will be within a reasonable time.
- 4.4 Subject to the other provisions of these Conditions the Company will not be liable for any loss (including loss of profit), costs, damages, charges or expenses, caused directly or indirectly by any delay in the delivery of the Goods (even if caused by the Company's negligence), nor will any delay entitle the Buyer to terminate or rescind the Contract unless such delay exceeds 60 days.
- 4.5 If for any reason the Buyer does not accept delivery of any Goods when they are delivered, or the Company is unable to deliver the Goods on time because the Buyer has not provided an appropriate address or appropriate instructions, documents, licences or authorisations:
 - 4.5.1 risk in the Goods will pass to the Buyer (including for loss or damage caused by the Company's negligence);
 - 4.5.2 the Goods will be deemed to have been delivered; and
 - 4.5.3 the Company may store the Goods until delivery and the Buyer will be liable for all related costs and expenses (including without limitation storage and insurance).
- 4.6 The Buyer will provide at its expense at the Delivery Point adequate and appropriate equipment and manual labour for off-loading the Goods.
- 4.7 The Buyer will indemnify the Company against any liability and expense (whether arising under statute or common law) caused by the Buyer's failure to provide appropriate equipment and manual labour for off-loading (whether or not the off-loading is supervised by or on behalf of the Buyer) for:
 - 4.7.1 any personal injury to or death of any of the Company's employees, agents or sub-contractors or any third party; and
 - 4.7.2 any damage to or loss of any property of the Company, its employees, agents or sub-contractors or any third party.
- 4.8 If the Company delivers to the Buyer a quantity of Goods of up to 70% less than the quantity accepted by the Company the Buyer shall not be entitled to object to or reject the Goods or any of them by reason of the shortfall and shall pay for such Goods at a pro rata Contract rate.
- 4.9 Where the Goods are to be delivered in instalments, each delivery shall constitute a separate contract and failure by the Company to deliver any one or more of the instalments in accordance with these Conditions or any claim by the Buyer in respect of any one or more instalments shall not entitle the Buyer to treat the whole contract as repudiated.
5. NON-DELIVERY
 - 5.1 The quantity of any consignment of Goods as recorded by the Company upon despatch from the Company's place of business shall be conclusive evidence of the quantity received by the Buyer on delivery unless the Buyer can provide conclusive evidence in writing proving the contrary.
 - 5.2 The Company shall not be liable for any non-delivery of Goods (even if caused by the Company's negligence) unless written notice is received by the Company within 10 days of the date when the Goods would in the ordinary course of events have been received.
 - 5.3 Any liability of the Company for non-delivery of the Goods shall be limited to replacing the Goods within a reasonable time or issuing a credit note at the pro rata Contract rate against any invoice raised for such Goods.

6. RISK/TITLE

- 6.1 Risk of damage to or loss of the Goods shall pass to the Buyer at the time of delivery.
- 6.2 Ownership of the Goods shall not pass to the Buyer until the Company has received in full (in cash or cleared funds) all sums due to it in respect of:
 - 6.2.1 the Goods; and
 - 6.2.2 all other sums which are or which become due to the Company from the Buyer on any account.
- 6.3 Until ownership of the Goods has passed to the Buyer, the Buyer must:
 - 6.3.1 hold the Goods on a fiduciary basis as the Company's bailee;
 - 6.3.2 store the Goods (at no cost to the Company) separately from all other goods of the Buyer or any third party in such a way that they remain readily identifiable as the Company's property;
 - 6.3.3 not destroy, deface or obscure any identifying mark or packaging on or relating to the Goods;
 - 6.3.4 maintain the Goods in satisfactory condition insured on the Company's behalf for their full price against all risks to the reasonable satisfaction of the Company. On request the Buyer shall produce the policy of insurance to the Company; and
 - 6.3.5 hold the proceeds of the insurance referred to in condition 6.3.4 on trust for the Company and not mix them with any other money, nor pay the proceeds into an overdraft bank account.
- 6.4 The Buyer may resell the Goods before ownership has passed to it solely on the following conditions:
 - 6.4.1 any sale shall be effected in the ordinary course of the Buyer's business at full market value; and
 - 6.4.2 any such sale shall be a sale of the Company's property on the Buyer's own behalf and the Buyer shall deal as principal when making such a sale.
- 6.5 Where the Company is unable to determine whether any goods are the Goods, the Buyer shall be deemed to have sold all goods of the kind sold by the Company to the Buyer in the order in which they were invoiced to the Buyer.
- 6.6 The Buyer's right to possession of the Goods shall terminate immediately if:
 - 6.6.1 the Buyer has a bankruptcy order made against him or makes an arrangement or composition with his creditors, or otherwise takes the benefit of any Act for the time being in force for the relief of insolvent debtors, or (being a body corporate) convenes a meeting of creditors (whether formal or informal), or enters into liquidation (whether voluntary or compulsory) except a solvent voluntary liquidation for the purpose only of reconstruction or amalgamation, or has a receiver and/or manager, administrator or administrative receiver appointed of its undertaking or any part thereof, or a resolution is passed or a petition presented to any court for the winding up of the Buyer, or for the granting of an administration order in respect of the Buyer, or any proceedings are commenced relating to the insolvency or possible insolvency of the Buyer; or
 - 6.6.2 the Buyer suffers or allows any execution, whether legal or equitable, to be levied on his/its property or obtained against him/it, or fails to observe/perform any of his/its obligations under the Contract or any other contract between the Company and the Buyer, or is unable to pay its debts within the meaning of section 123 of the Insolvency Act 1986 or the Buyer ceases to trade; or
 - 6.6.3 the Buyer encumbers or in any way changes any of the Goods.
- 6.7 The Company shall be entitled to recover payment for the Goods notwithstanding that ownership of any of the Goods has not passed from the Company.
- 6.8 The Buyer grants the Company, its agents and employees an irrevocable licence at any time to enter any premises where the Goods are or may be stored in order to inspect them, or where the Buyer's right to possession has terminated, to recover them.

7. PRICE

- 7.1 Unless otherwise agreed by the Company in writing the price for the Goods shall be the price set out in the Company's price list provided by the Company to the Buyer.
- 7.2 The price for the Goods shall be exclusive of any value added tax or any other applicable tax which the Buyer will pay in addition when it is due to pay for the Goods.
- 7.3 Except as otherwise agreed in writing by the Company, the Buyer shall be liable to pay the Company's charges for transport, packaging and insurance, as shown in the price matrix set out in the Company's price list provided by the Company to the Buyer or on the Company's website.
- 7.4 The Company shall make a minimum delivery charge of £5.00 per order (ex VAT).

8. PAYMENT

- 8.1 Unless otherwise agreed by the Company in writing, the Company may invoice the Buyer for the price of the Goods on or at any time after delivery of the Goods.
- 8.2 Payment for the Goods and delivery charges can be made by any method shown in the Company's catalogue or shown on its website.
- 8.3 Subject to any credit terms agreed by the Company in writing, payment of the price for the Goods is due 14 days from the date upon which the Goods are delivered or deemed to be delivered.
- 8.4 Time for payment shall be of the essence.
- 8.5 No payment shall be deemed to have been received until the Company has received cleared funds.
- 8.6 All payments payable to the Company under the Contract shall become due immediately upon termination of this Contract despite any other provision.
- 8.7 The Buyer shall make all payments due under the Contract without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise unless the Buyer has a valid court order requiring an amount equal to such deduction to be paid by the Company to the Buyer.
- 8.8 The Company may appropriate any payment made by the Buyer to the Company to such of the Goods as the Company thinks fit despite any purported appropriation by the Buyer.
- 8.9 If the Buyer fails to pay the Company any sum due pursuant to the Contract the Buyer will be liable to pay interest to the Company on such sum from the due date for payment at the annual rate of 5% above the base lending rate from time to time of HSBC Bank Plc, accruing on a daily basis until payment is made, whether before or after any judgement. The Company reserves the right to claim interest under the Late Payment of Commercial Debts (Interest) Act 1998.

9. WARRANTY

- 9.1 The Company warrants that (subject to the other provisions of these Conditions) upon delivery, and for a period of 12 months from the date of delivery, the Goods will be of satisfactory quality within the meaning of the Sale of Goods Act 1994.
- 9.2 The Company shall not be liable for a breach of the warranty in condition 9.1 unless:
 - 9.2.1 the Company receives written notice of the defect from the Buyer within 10 days of:
 - (a) the date of delivery (where the defect would be apparent to the Buyer upon a reasonable inspection); or
 - (b) the date when the Buyer discovers or ought reasonably to have discovered the defect (where the defect would not be apparent to the Buyer upon reasonable inspection); and
 - 9.2.2 the Company is given a reasonable opportunity after receiving the notice of examining such Goods and the Buyer (if asked to do so by the Company) returns such Goods to the Company's place of business at the Buyer's cost for the examination to take place there.
- 9.3 The Company shall not be liable for a breach of the warranty in condition 9.1:
 - 9.3.1 if the Buyer makes any further use of such Goods after giving notice; or
 - 9.3.2 if the defect arises because the Buyer failed to follow the Company's oral or written instructions as to the washing, care, storage, use or maintenance of the Goods or (if there are none) good trade practice; or
 - 9.3.3 if the Buyer alters or repairs such Goods without the written consent of the Company; or
 - 9.3.4 if the defect in such Goods arises from any design defect in any drawing design or specification supplied or approved by the Buyer.
- 9.4 Subject to conditions 9.2 and 9.3, if any of the Goods do not conform with the warranty in condition 9.1 the Company shall at its option repair or replace such Goods (or the defective part) or refund the price of such Goods at the pro rata Contract rate provided that, if the Company so requests, the Buyer shall, (at the Buyer's expense), return the Goods or the part of such Goods which is defective to the Company.
- 9.5 If the Company complies with condition 9.4 it shall have no further liability for a breach of the warranty in condition 9.1 in respect of the quality of such Goods.

- 10.2 All warranties, conditions and other terms implied by statute or common law (save for the conditions implied by section 12 of the Sale of Goods Act 1979) are, to the fullest extent permitted by law, excluded from the Contract.
- 10.3 Nothing in these Conditions excludes or limits the liability of the Company for death or personal injury caused by the Company's negligence or for fraudulent misrepresentation. The Buyer's attention is in particular drawn to the provisions of condition 10.4
- 10.4 Subject to conditions 10.2 and 10.3:
 - 10.4.1 the Company's total liability in contract, tort (including negligence or breach of statutory duty), misrepresentation or otherwise, arising in connection with the performance or contemplated performance of this Contract shall be limited to the Contract price as set out on the Buyer's order; and
 - 10.4.2 the Company shall not be liable to the Buyer for any loss of goodwill or reputation, loss of profit or loss of sales (whether direct or indirect) or any consequential or indirect loss, damage or expense whatsoever (howsoever caused) which arises out of or in connection with the Contract.
- 10.5 The Buyer shall indemnify the Company against all liability, actions, proceedings, costs, claims, damages or demands in any way connected with this Contract brought or threatened to be brought against the Company by any third party except to the extent the Company is liable to the Buyer in accordance with these terms and conditions.
