IMPACTO™ WORKMAT

The **IMPACTO™ ANTI-FATIGUE WORKMAT** is ergonomically designed to provide a comfortable place to stand for long periods of time. Its elastic, nodule design forces the feet and leg muscles to work even when standing still. This significantly increases circulation and reduces fatigue as well as combatting cumulative trauma disorders associated with standing occupations.

Benefits

- High chemical resistance
- Anti-slip backing
- Helps reduce the cumulative trauma disorders commonly found in the standing workplace environment
- Elastic design forces muscles to move even when you are standing still
- Easy to clean
- Manufactured in the U.S.A.

Model# WORKMAT
Standard size 24" x 36" x 5/8"
Outside 3/4" beveled edge

Applications

- Factories
- Offices
- Laboratories
- Restaurants
- Canteen kitchens
- Workshops
- Schools
- Gas stations
- Railway stations
- Airports
- Wholesale and retail stores
- Clean rooms or any stand-up work place
- Government institutions
