

New! IMPACTO™ CART PAD

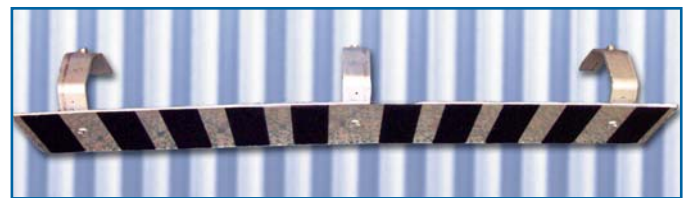

976-80 - complete pad with metal plate
Pad has resilient Cordura® cover. Dense foam 1" padding provides cushioning when leaning over cart. Pad has hook side of Velcro® to attach to metal plate. Three webbing straps with snaps secure onto hooks on metal plate. Pad dimensions 46" h. x 20" w.

976-80PAD - replacement pad can be purchased separately

976-PLATE - replacement plate can be purchased separately
Metal plate is 36" w. x 4" h. with 3 hooks to place over side of parts cart. Plate has Loop side of Velcro® to attach to pad.

"These pads protect the operators from getting injured by loose and broken wires on the baskets that jab into the operators body. Our production operators love these pads and are happy to have them."
