

DENTAL STOOLS FOR OPERATORS AND ASSISTANTS

Belmont's Dental Stools are the best compliment to any Treatment Centre. A collection of three very comfortable, durable Stools caters for the individual's unique requirements. The seamless easy-clean upholstery offers optimum hygiene levels and is available in various colours.

ic-D

ic-DSA

ic-Tilt

The ic-D is designed to give maximum support while the backrest provides the correct lumbar position for perfect working comfort.

Offering the same level of comfort and support, the ic-DSA also features an offset spine which enables the Assistant to use the backrest as a supportive armrest.

 Belmont

The Benchmark For Reliability

THE MANUFACTURER RESERVES THE RIGHT TO ALTER SPECIFICATIONS WITHOUT PRIOR NOTICE.

IC-Tilt supports the Operator in any position combining comfort and flexibility.

The seat is engineered to give maximum comfort while the backrest provides the correct lumbar support.

The tilting backrest and seat height-adjustment are operated via two paddles below the seat.
