

We are running a special warehouse clearance promotion, to make additional room for winter stock lines. This is not available online and the prices being offered are for the Approved Business Network clients only.

This week we have a limited number of gloves available on a first come first served basis and when they're gone, they're gone.

As an Approved Business referral client, to claim your special pricing please call the office on 0161 865 1086 Option 2 and quote our promo code **PROMOGLOVE** and the product code you are interested in.

All prices listed are vat inclusive.

Carriage will be quoted at the time of enquiry and is dependent on quantity, weight and shipping location. Collections from the Stretford Office do not incur any charges.

All Stock Levels are correct at the time of print and are subject to change. When calling to enquire, please ask the sales team to check availability.

Orders will be despatched on receipt of a cleared payment.
