

ACTIVITY & ROLE PLAY

"The children love the new equipment and it has been used every playtime since it was installed. It looks fantastic and has enhanced their environment considerably. We are very pleased with it and have begun saving to buy some more!"

Water and Sand Play

Our water and sand play collection has been significantly enhanced with the addition of the Buddy Range. Using durable HDPE we have designed a variety of tables and transporting mechanisms to aid the use of water and sand play to offer greater exploration and experimentation opportunities that the children love so much. By virtue of their modular design we can configure units to work together based on space and budget available.

Outdoor Musical Instruments

Mini Marimbas

These unique, custom-made outdoor musical instruments are easy to play and are pentatonic scaled which allows children of all ages to produce pure, melodic soothing tones. No previous experience of playing instruments is required. Installed below ground for security, the instruments are built to withstand rigorous play and the elements.

ACTIVITY & ROLE PLAY

Play Dens

Child size spaces are an essential part of outdoor playscapes and our range of dens, lofts, tree houses, Tepees and play huts provides plenty of options to fit your space, budget and environment. New additions include our Takamaka range of treehouses which can be linked together to create a tree house village, and the Play Loft with space for art boards for mark making and open ended play and exploration.

Trapezium Stage
 Code TRAP12

The new Trapezium shaped stage is the perfect venue for break time role play and pop song dress rehearsals. Its unique shape ensures that it can be accommodated within play areas without encroaching too much on the run around space. We can also create bespoke stages and seating areas to meet the specific requirements of your unique area.

Storyteller Chair

This impressive chair adds a special place to the quiet corners of the playground and is ideal for captivating youngsters during outdoor storytime. Code STORY
