Dog Grid

Product code 6120-136

This 1000mm x 2000mm Dog Grid is ideal for installation at playground and sports area entrances, to deter dogs.

Playscape Furniture

Fencing & Gates

Bow Top

Fencing

Product code	Height	Width
BOW1000	1000mm	Per linear metre
BOW1200	1200mm	Per linear metre

Double Leaf Vehicle Gate

(Not illustrated)

Product code	Height	Width
BOVGATE10	1000mm	2800mm
BOVGATE12	1200mm	2800mm

Comprises two bolt-down lockable leaves.

Bow Top and Flat Top Fencing and Gates are manufactured from mild steel. The Fencing and Double Leaf Vehicle Gate are supplied galvanised only as standard. The Single Self-Closing Gate and the Pedestrian/Vehicle Gate are supplied galvanised and painted yellow as standard to highlight entry/exit points. Other standard Wicksteed colours (with the exception of purple) are available on request. Please specify when ordering.

Flat Top

Fencing

Product code	Height	Width
FLAT1000	1000mm	Per linear metre
FLAT1200	1200mm	Per linear metre

Double Leaf Vehicle Gate

(Not illustrated)

Product code	Height	Width
FLVGATE10	1000mm	2800mm
FLVGATE12	1200mm	2800mm

Comprises two bolt-down lockable leaves.

Single Self-Closing Gate with hydraulic unit*

Product code	Height	Width
NFLGATE10	1000mm	1100mm
NFLGATE12	1200mm	1100mm

Suitable for installation with either Flat or Bow Top Fencing. Supplied galvanised and painted yellow as standard to highlight entry and exit points. Alternative standard Wicksteed colours (with the exception of purple) are available on request when ordering.

*Hydraulic Unit

Both our Single Self-Closing Gate and our Pedestrian/Vehicle Gate with self-closing leaf has a built-in dual-action hydraulic unit, with a self-closing, 'progressive' mechanism which makes the self-closing leaf virtually impossible to slam shut and prevents it from bouncing back when it is pushed too hard. It has an anti-trap mechanism and cannot swing beyond its stop point. The gate is adjustable and can be set to conform with RoSPA's recommendation to close within 5 to 7 seconds.

Double Pedestrian/Vehicle Gate with self-closing leaf*

Product code	Height	Width
NFLPVGATE10	1000mm	2800mm
NFLPVGATE12	1200mm	2800mm

Suitable for installation with either Flat or Bow Top Fencing. One leaf is bolt down and lockable, the other is a self-closing single gate with hydraulic mechanism. Supplied galvanised and painted yellow as standard to highlight entry and exit points. Alternative standard Wicksteed colours (with the exception of purple) are available on request when ordering.

Half-Round Log Fencing

Product code	Height	Width
LOGFENCE12	1200mm	Per linear metre

Playscape Furniture

Tango Rail Fencing

Product code	Height	Width
TANGO1000	1000mm	Per linear metre
TANGO1200	1200mm	Per linear metre

This versatile bow top tubular fencing system is self-adjusting, enabling the fence to follow the contours of sloping ground without the need for 'stepping'. It's available in red, green, blue, yellow, brown and black or multi-coloured.

Shade Sails

Shade Sails are the perfect solution to provide shade in playgrounds, picnic areas and outdoor school environments.

There are two ranges:-

Weatherproof Shade Sails & Waterproof Shade Sails

Weatherproof Shade Sails

Constructed from a specially developed, heavy duty material Shade Sails provide up to 99% protection from harmful UV rays and reduce temperature in the shaded area by up to 32%.

Shade Sails can cover large areas with the minimum amount of posts and are shower proof and wind resistant up to Force 12.

The different styles available are:

- Triangular
- Hyperbolic Square
- Overlapping Hyperbolic Square
- Overlapping Triangle
- Conic Style
- Square & Triangle Style
- Melbourne Beach Style

Waterproof Shade Sails

Waterproof Shade Sails are designed and manufactured using high quality materials to give strength, elegance and durability in all weathers. Their smooth curves are engineered to withstand winds up to 110mph.

They can be supplied with either a curved or straight edge.

The different styles available are:

- Hyperbolic
- Fixed Parasol
- Gazebo
- Cantilever

Playscape Furniture

Playscape Furniture

Signage Playscape Signs

Our vandal-resistant signs are made from 5mm thick polycarbonate mounted on a 2mm gauge aluminium back-plate. They can be supplied with wall, fence or post mounting fixings. Aluminium painted posts are also available separately to your chosen height. Wicksteed Playscape Signs can carry your own wording including corporate crests, logos and safety symbols. The sizes quoted are standard but signs can be made to individual specifications.

TRISIGN

Paragon Paving Signs

Symbol	Product code
No dogs	6120-086
Inclusive playground	6120-087
Basketball & rollerblade area	6120-088
No skateboards or rollerblades	6120-089
No cycling	6120-090
Footprints	6120-092

Our Paving Signs are white concrete slabs with the shape of the symbol rebated into them. After curing, the rebate is carefully filled by hand with contoured mortars. These signs can be built into paving or tarmac.

Classic Signboard

Product code

without posts 6120-164

with posts 6120-164/P

An attractive 600mm wide by 800mm high heavy duty signboard. Wicksteed Classic Signboards are available with 2500mm posts [above ground height 2200mm] or with wall/fence fixings. They can carry your own chosen wording, including corporate crests, logos and any safety symbols and they can be any standard Wicksteed colour, which must be specified on order.
