

Wicksteed - *Naturally*

Spring-based play equipment has always delighted children and always will. We have a huge variety of imaginative Springgies, including a selection of animals and modes of transport, on which children can rock by themselves or play together with their friends for interactive fun and games.

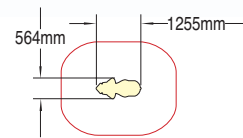

### Moulded Spring Mobiles

These rotationally moulded Spring Mobiles using recyclable polyethylene with an inner steel reinforcement core, make an extremely popular addition to any playground.

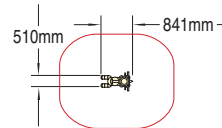

**Camel**

Product code 6060-074  
Wet Pour Safety Surfacing  
0.6m FFH: 8m<sup>2</sup> x 20mm
