playscapes

Woodland
Multi-Play System
Age range 6 to 14

Wicksteed - Naturally

Woodland is an ideal play system for rural parkland settings, community playgrounds and schools.

Using European pine timber from sustainable managed forests, which is laminated to prevent moisture being absorbed, Woodland also has the advantage of metal below-ground fixings - enabling a 15-year anti-rot guarantee.

Deck heights: 600mm, 800mm and 1100mm

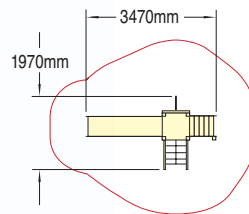

Gnu

Product code 6180-GNU

8 Play Features
