XS

Modular Play System
Age range 8 to adult

Wicksteed - Naturally

The XS range offers endless play value by incorporating the Wicksteed 'Outrigger' play system. Designed with modularity in mind, the Outriggers and Towers can be connected with a range of bridges across variable heights – offering a progressive challenge for all users.

At lower level the XS system offers seating for chill out/socializing areas.

Deck heights: 965mm and 1665mm

Colours

Brown/Yellow Purple/Black

There is a choice of four colour combinations – as can be seen from this colour chart. Your choice should be specified when ordering any units from the XS range.
