HOT & STRIP WAXES

WaXXX with confidence & style

“The preferred choice for waxing specialists..... economical & technologically advanced wax systems with exceptional results”

Ultra Flexxx™

Ultra Flexxx™ is formulated for exceptional results using the most advanced waXXX technology. It's unique plastic texture makes Ultra Flexxx™ ultra-flexible, have a Superior grip, making it perfect for Brazilians. Ultra Flexxx™ is mixed with titanium dioxide which makes it great for sensitive areas and reduces redness with Ultra Flexxx's hypoallergenic properties, making waxing less painful and more enjoyable.

Available in Creamy smooth Vanilla & Silky Smooth Brazilian Strawberry.

Ultra Film™ Pomegranate & Jojoba

Scientifically formulated to give your clients exceptional results. Ultra Film™ delivers 30% more applications than traditional resin waxes and still retains the unique flexibility and elasticity of Ultra Flexxx™. Ultra Film™ is an easy glide wax providing no resistance and when applied correctly is almost transparent in application, causing less pain to the client. Ultra Film™ has a low melting point and is suitable for all hair and skin types.

iFlexxx™ Apple & Papaya

The latest technology in waxes from Mancine Cosmetics, like no other wax on the Australian market. The plastic texture of this wax has a lower melting point which allows for a thinner application, quicker setting formula with no cracking or breaking. Ultra pliable creamy formula with a superior grip great for all areas, leaves no sticky residue, less pain and great for sensitive skin types.

PRE & POST LOTIONS

Professional Wax Systems

Pre Wax Lotion 500ml | 16.8fl oz

Recommended for use prior to strip and hot waxing. Removes moisturising creams, surface bacteria and perspiration. Prevents wax from becoming tacky, leaving less wax residue. Pleasant smelling with chamomile to calm the skin and prevent harmful bacteria entering the hair follicle. Fast drying and can also be used before electrolysis.

Pre Wax Oil 500ml | 16.8fl oz

Recommended for use prior to "hot waxing", Pre Wax Oil contains Aloe Vera which acts as an anti-inflammatory to soothe the skin. All you do is massage a small amount on the area to be waxed. A simple and effective way to prevent hot wax from adhering to the skin.

Ultimate Finish 500ml | 16.8fl oz

The ultimate way to complete your waxing routine. An excellent combination that clears any wax residue left behind after the waxing process, suitable for use on both face and body. Leaves your client feeling wonderfully relaxed and calm with skin feeling silky smooth, blended with Chamomile and Lavender Oil.

Miracle Citrus Wax Solvent 1litre | 33.8fl oz

A very effective salon and equipment cleaning fluid formulated with quality American orange and lemon extracts. Leaves a mild, refreshing citrus fragrance. Removes both hot and strip waxes from clothes, furniture, carpets, wax heaters and salon equipment. Not to be applied to the skin for removal of wax residue.

MANCINE BODY

Professional Body Care

EXFOLIATE

Hot Salt Body Scrub 520g

Marine extracts have been blended with Australian Sea Salts then mixed with Jojoba Oil, Sweet Almond Oil, Soya Bean Oil and fruit acids to form a deep, exfoliating body scrub to remove dry dead skin. Vitamin E blended with natural botanicals and Sea Salts create a rich emollient leaving your skin enriched, stimulated and glowing.

“Indulge Your Body and Treat Your Senses. An irresistible and affordable range of body care to boost your retail sales, plus exotic treatments for your salon or spa menu.”

CLEANSE & SOAK

Body & Shower Gel 375ml

Botanical purifying body wash is a concentrated formula with a gentle, deep cleansing action, the mild pH balance leaves the skin feeling ultra clean, refreshed and revitalized.

MOISTURISE

Body Lotion 250ml & 1 litre

Enriches and soothes the skin with its moisturising properties, use in conjunction with the Hot Salt Scrub or to supplement a refreshing shower leaving the skin silky, supple and replenished. With a mild Ph. it helps promote a smooth, soft complexion, is also great for manicures and pedicures.

SMOOTH

Body Butter 250g

Formulated by whipping botanical extracts together with healing shea butter to create a perfect, emollient-rich body butter to care, restore, re-hydrate and soften the skin. To nourish the skin, smooth over the body concentrating on extra dry areas, particularly on the hands, feet, knees and elbows. It melts into the skin, just like butter.

Tan™

PRO RANGE

Summer Tan Pro-Solution

The Summer Tan Professional solution is a dual action solution which achieves an instant natural, healthy glow for your face and body without the nasty side effects of the sun's harsh rays! Our unique combination of bronzers and skin tanning agent DHA produces a remarkable instant tanning effect that can last up to 7 days on most skin types.

Body Polish

Smother, softer skin is our top tip for a natural looking tan. The Summer Tan Body Polish is naturally fragranced with a blend of lemon, lime, geranium & cedarwood essential oils. This indulgent walnut body scrub removes impurities and polishes away dead skin cells, leaving the skin smelling great, PH balanced and feeling silky smooth, making the skin ready for perfect tanning.

Pro-Organic Solution

Ecocert Certified Organic Approved DHA, Alcohol Free and Vegan friendly. A carbon neutral unique organic tanning formula, which activates and develops a deep rich and exotic tan in just 2 – 4 hours. This product is made using the finest organic ingredients available to give a rich and satisfying tan that lasts longer. Oil-free formula will not irritate the skin or clog pores. Pro-Organic allows you to offer a natural alternative to your clients.

Tan™

RETAIL RANGE

Summer Tan is Australia's leading sunless tanning range. Their exciting new formulas are a quad action (a unique combination of instant bronzers, moisturisers and DHA), and create a natural, healthy, sun-kissed glow that can last up to 5 days on most skin types. Your customers will love the range – natural active ingredients, and different strengths of spray tan solution.

Summer Tan solutions consist of a tanning agent and a bronzing agent, as well as much needed moisturizers. The bronzing agent helps you to see where you are spraying or applying the tan and washes off, while the tanning agent results in a healthy and natural skin glow after a shower around four hours later.
