Tan™

Introducing — The Summer Tan Collection.

Summer Tan is the leading retail tinted sunless tanning product in Australia. Our new formula contains a unique combination of bronzers and DHA and imparts, not only an instant natural sunkissed glow to your face and body, but produces a tanning effect that can last up to 5 days on most skin types. Summer Tanning, without the summer sun.

Bronze and Extend

Summer Tan is rapidly expanding its range, the latest products include an instant bronzer, tan extender and tan remover.

Summer Tan Bronzer

Summer Tan Bronzing Lotion is suitable for all skin tones. The lightweight consistency allows a smooth, even coverage creating a beautiful, golden tan instantly. Easily washes off with soap and water. Summer Tan Bronzing Lotion is infused with a blend of softening oils and shea butter to naturally hydrate the skin leaving a delicious caramel scent.

150ml / 5.0 fl oz.

Summer Tan Extender

Use it with any Summer Tan's tanning products to intensify or extend the life of your tan, whilst nourishing and toning your skin. Contains nourishing active ingredients such as Green Tea, Caffeine, Ivy Extract, Bladderwrack and Horse Chestnut Extract, which all work to improve the skin's tone and texture.

175ml / 5.9 fl oz.

Summer Tan Remover

Summer Tan Remover is a unique exfoliating scrub that instantly removes unwanted self tan from the hands and body. Infused with the citrus scent of pink grapefruit leaving your skin fresh and clean. Summer Tan Remover contains nourishing Vitamin E extracts that moisturise the hands and body, leaving your skin hydrated and silky smooth.

150ml / 5.0 fl oz.

It's All In The Preparation...

The perfect Summer Tan begins with the perfect canvas. Our pre-tanning Body Polish exfoliates gently, perfecting and smoothing the skin. Correct pre-tanning preparation not only helps ensure an even application but will help to maintain your sunless tan.

Pre Tan Body Polish

Summer Tan Body Polish with Essential Oils was developed for use with instant tanning. The walnut shell exfoliant removes dead skin cells ready tan application, also has a beautiful lemon lime fragrance.

175ml / 5.9 fl oz.

Pre Tan Body Polish 'Salon'

Summer Tan Body Polish with Essential Oils was developed for use with instant tanning. The walnut shell exfoliant removes dead skin cells ready tan application, also has a beautiful lemon lime fragrance.

1 Litre / 33.81 fl oz.

The Face Tan Collection

Formulated from the highest quality, all-natural ingredients, Summer Tan Face Tan has been created to tan your face while observing the delicate nature of the visage skin by incorporating moisturisers and humectants.

Silky smooth in texture, Face Tan glides on to give you an instant sun kissed glow, and continues to tan the skin without sun over the next 8 hours, all the while caring for your skin with natural moisturisers.

Face Tan Medium

Designed for fair to medium complexions, Summer Tan Face Tan Medium will give you an instant natural looking healthy glow. Used instead of, or under make up, Face Tan Medium will continue to tan over the next 8 hours. Several applications in succession will result in a deeper tan effect and a daily application will maintain your desired level.

80ml / 2.7 fl oz.

Face Tan Dark

For medium to dark complexions, Face Tan Dark will give you an instant natural looking healthy glow. Used instead of, or under make up, Face Tan Dark will continue to tan over the next 8 hours. Several applications in succession will result in a deeper tan effect and a daily application will maintain your desired level. Tan without risking future sun exposure.

80ml / 2.7 fl oz.

The Self Tan Collection

The Self Tan Collection offers a sunless tanning solution for all skin tones, types and personal preference. Our unique colour formulation uses both bronzers and the skin tanning agent DHA to produce the most natural tan effect. Bronzers give an instant glow while tanning agents go to work naturally and sunlessly tanning your skin. The natural elements of our formulations also ensure there is no harsh or offensive chemical smell while the products are working.

Summer Tan Light

Summer Tan Light is formulated for fair to medium tones. Used all over the body, this lotion will give you the most natural looking tan possible. Designed to allow you to build to your desired colour, apply as often as you like until you reach your perfect shade. Daily application will then maintain your tan.

250ml / 8.4 fl oz.

Summer Tan Dark

Summer Tan Dark is formulated for medium to dark skin tones. Used all over the body, this lotion will give you the most natural looking tan possible. Designed to allow you to build to your desired colour, apply as often as you like until you reach your perfect shade. Daily application will then maintain your tan.

250ml / 8.4 fl oz.

Summer Tan Mousse

Light and fluffy in texture Summer Tan mousse has a 'light as air' application feel and is extremely quick drying. Easy to use, the mousse glides effortlessly over large areas and gives an instant medium tan effect. Pleasant smelling - use on occasions, prior to an event or daily to maintain your sunless tan.

200g / 280ml.

Summer Tan Aerotan

Summer Tan Aero Tan gives you a spray tan in a can. Formulated for light to medium skin - mist over your whole body for an instant glow or apply in succession for a deeper tan effect. The twistable nozzle allows you to tan hard to reach places. Perfect for touch ups over your other Summer Tan products or as the finishing touch before you head out

120ml / 4 fl oz.

Summertan Professional

Our professional equipment and professional sunless tanning formulations enables Beauty Professionals to provide clients with the sort after Summer Tan look in both their salons or anywhere they please due to the portability of both our tan spray machine and popup spray tent. Engineered specifically for use with Summer Tan Professional Tanning Formulations, the equipment is designed for ease of use and will ensure that your clients return time and time again to you for their sunless tanning needs.
