

Personalise your skin care routine

Our collection of additional brushes for your PureCleanse system

SuperSensitive-skin

For super sensitive or delicate skin. Offers a very soft massaging effect. A favourite for our users for its relaxation benefits.

Sensitive-skin

For normal to dry skin.

Normal-skin

For normal to combination skin.

Acne-skin

For Acne conditions, milder spots or other breakouts in your skin.

Body

For use across all parts of the body where your skin is tougher (not face). Thicker bristles on the brush ensure a thorough cleanse.

Deep-exfoliation

For clogged pores and focussed towards an oily T-zone.
