REFINING YOUR INTERIOR

EN With our new slogan, *“NMC–Refining your interior”*, our aim is to approach the market with an incisive direction.

We have divided our range into four different style genres. Each style therefore embodies a particular genre, harmonious in all its elements. Whether timeless, traditional, modern or professional, customers who identify themselves with a particular style will now feel more at home, and we will simplify their choice by systematically presenting them with products that work in perfect harmony.

Get inspired!

DE Unter unserem neuen Slogan »*NMC–wir veredeln Räume*« gehen wir mit einem geschärften Profil in den Markt.

Wir haben unser Sortiment in vier verschiedene Stilwelten aufgeteilt. Dabei verkörpert jeder Stil eine eigene, in sich stimmige Gestaltungswelt. Ob zeitlos, klassisch, modern oder auch gewerblich – Kunden, die sich mit einem Stil identifizieren, werden sich zukünftig nicht nur stärker angesprochen fühlen, sondern ihnen wird auch durch die durchgängige Präsentation der miteinander harmonisierenden Produkte die Auswahl erheblich erleichtert.

Lassen Sie sich inspirieren!

FR Par notre nouveau slogan «*NMC–sublimez votre intérieur*», notre volonté est d’aborder le marché avec un profil plus aigu.

Nous avons subdivisé notre gamme en quatre univers stylistiques différents. Chaque style incarne donc un univers particulier, harmonieux en soi. Qu’il soit intemporel, classique, moderne ou même professionnel – les clients qui s’identifient à un style se sentiront désormais non seulement davantage interpellés, mais nous leur facilitons aussi grandement le choix en leur présentant systématiquement les produits assortis.

Laissez-vous inspirer!

NL Met onze nieuwe slogan *“NMC–Maak van je interieur iets subliem”*, willen wij de markt vanuit een nieuwe invalshoek benaderen.

Na diepgaande overweging hebben we ons gamma onderverdeeld in vier verschillende stijlen. Elke stijl belichaamt een specifiek, harmonieus universum. Of hun stijl nu tijdloos, klassiek, modern of zelfs professioneel is, onze klanten, die zich identificeren met een stijl, zullen zich voortaan meer betrokken voelen. En wij maken de keuze aanzienlijk makkelijker door hun voortaan rechtstreeks bij elkaar passende, globale oplossingen voor hun interieurdecoratie aan te bieden.

Laat u zich inspireren!
