

# Calibration, Maintenance & Repair Ltd

For a Quality Approach to Calibration.....

## CMR Capabilities.....

**Charge Amplifiers**  
**Signal Conditioners**  
**Vibration Controllers All**  
**Shock Meters**  
**Vibration Meters (D.V.A)**  
**Hand Held Vibration Meters**  
**Vibration Analysers**  
**Vibration Balancers**  
**Harm/Whole Body Vibration Meters**  
**Accelerometer Calibrators**  
**Laser Vibration Meters**  
**Acoustical Calibrators\***  
**Sound Level Meters\***  
**Sound Survey Meters\***  
**Octave Filter Sets\***  
**Microphones\***  
**Accelerometers pC/g & mV/g**  
**Piezo-resistive Accelerometers**  
**Capacitive Accelerometers**  
**MEMS Accelerometers**  
**Vibration Data Loggers**  
**Analysers**  
**Geophones**  
**Blast Monitors**  
**Pat Testers\***  
**Pat Checkers\***  
**Electrical Safety Test Units\***  
**RCD Tester\***  
**RCCB Tester\***  
**Earth Testers\***  
**PSC Loop Testers\***  
**Flash Testers\***  
**High Voltage Testers\***  
**Ground Resistance Meters**  
**Insulation Meters**  
**Line Loop Testers\***  
**Surge Testers\***  
**Clamp Meters**  
**Digital Thermometers (Electronic Injection)**  
**Wrist Strap Checkers\***

**Temperature Electrical\***  
**Temperature Probes and Meters\***  
**Multimeters**  
**Oscilloscopes**  
**Scopemeters**  
**Clamp Meters**  
**Ammeters**  
**Hand Held D.V.M**  
**Source Meters**  
**Nanovoltmeters**  
**Power Supplies**  
**Component Testers**  
**Oscillators**  
**Arbitrary Function Generators**  
**RF Generators to 20GHz\***  
**RF Analysers**  
**Pulse Generators**  
**Timer Counters**  
**Frequency Counters**  
**Resistance Meters**  
**Ohm Meters**  
**Capacitance Meters**  
**Distortion Meters**  
**pH Meters\***  
**Conductivity Meters\***  
**Pressure Transducers\***  
**Pressure & Vacuum Gauges\***  
**Torque Wrenches\***  
**Torque Wrench Calibrators\***  
**Weights & Scales\***  
**Mechanical Instruments\***  
**Optical Tachometers\***  
**RF Meters and Counters\***  
**Phase Angle Voltmeters/Indicators\***  
**Helicopter Blade Balancers/Analysers**  
**Spring Hammers**  
**Anemometers\***

The above is not an exhaustive list of all the instruments calibrated, please contact us for items not listed. \* Currently outside our UKAS scope of calibration
