DO YOU KNOW SOMEONE WHO SHOULD JOIN THE PHOREST FAMILY?

Well we have some good news!
When you refer another salon
owner to Phorest you will bank

£100

Oh, and you can refer as
many people as you like!

HOW DOES IT WORK?

Jane has a beauty salon in central Manchester and has been with Phorest for some time now.

She has a friend, Anna, who also owns her own hair salon.

Jane told Anna about Phorest Salon Software. Jane then contacted Phorest to tell us she would like to refer Anna for a free demo of the software.

Anna loved the software, signed up & had her brand new Phorest system installed in her salon.

We then sent Jane a cheque for £100 as a token of our gratitude.

Just like you, we love referrals :) Let's Grow!

Terms and conditions apply. The software must be installed and payment received before referral cheque is sent to the referee. The referee cannot be in arrears with Phorest.
