Think Furniture options shown above represent an initial suggestion sweep of potential outdoor furniture solutions for projects.

Once your design has been finalized then we can create a total project cost to include such items all relevant aspects of outdoor furniture from chairs/beds and loungers through to screen and pavilion areas.

All the furniture options proposed are from proven Manufacturing partners that will offer high levels of service along with obvious requirements such as continuity of supply etc

As independent furniture specialists we can access furniture from a large variety of manufacturing partners from the very economic right through to high design /bespoke products. If you require more specific range information please do not Hesitate to call or e-mail,
