

BEAUTY BY THE COLD

The Revolutionary CryoPen

Cryosmetics freezes away the years, by offering revolutionary cold therapy treatments for a variety of complex problems.. The innovative CryoPen allows you to work with millimetre precision. It is a brilliant device for removing skin imperfections quickly and effectively with no more collateral damage to healthy tissue.

Coolift

A revolutionary registered system that performs a radical facial treatment through a safe, fast and efficient method. The Coolifting gun sprays the facial tissues using a powerful CO2 flow, at a low temperature and a high pressure, combined with a high concentration of atomized anti-ageing and skin-lifting ingredients.
