

About us

Established in 1971, Tara Signs has built a solid reputation for delivering complete signage solutions to a diverse customer base. From conceptual design through to installation and maintenance, our team will take care of every aspect of managing your project.

We are a family owned and run business and we pride our selves on a professional approach, yet remain dedicated to extending exceptional personal service to all our customers, suppliers and partners. Based in West Sussex and with customers throughout the UK and Europe, Tara Signs has become an established leader locally and internationally in the sign industry

Through our imaginative and innovative designs, we have developed an accomplished range of manufacturing skills to meet even the most demanding of sign requirements from an impressive and ever growing multi-national client list.

When you choose Tara Signs, we become a committed member of your team, that way we can ensure that your vision becomes our vision.
