

Case Study

Client:
Hargreaves Group,
Worthing, West Sussex.

Project:
Solent Trade Park, Havant.
Hamilton & Nelson Business Park, Hedge
End.

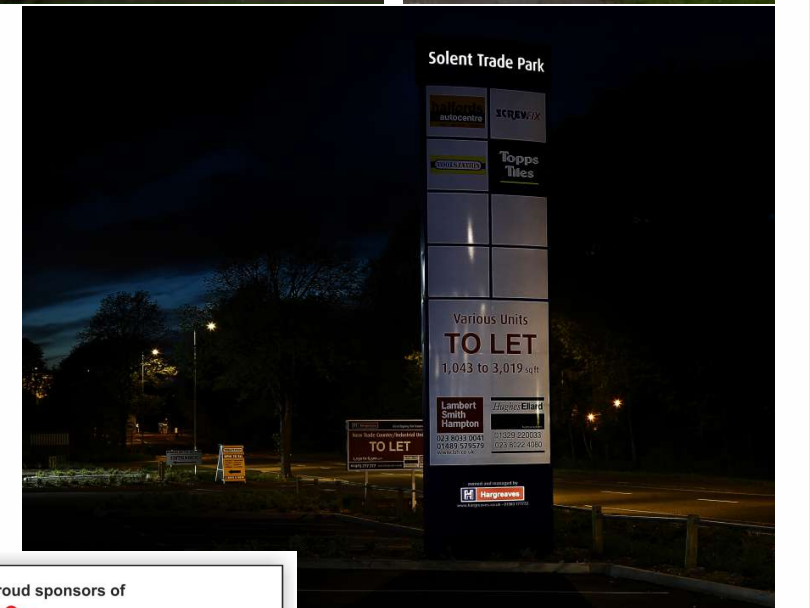

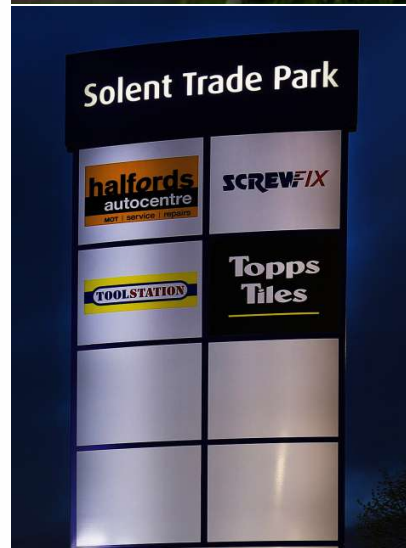

Scope:
Client requested that Tara Signs devise and
design a totem sign for their trade park. Sign
to be illuminated, but no power available.

Sign Type:
6m totem sign constructed with a steel
subframe and aluminium clad panels.
Solar powered illuminated header section for
year round illumination.

Design:
Tara Signs Ltd

installation:
Tara Signs provided all groundworks, access
and labour for the installation including
making good in the car park surface.

Solar panels in the top
of the signs provide
power to charge
internal batteries.
