

## Case Study

**Client:**  
Lancing Business Park, West Sussex.

**Scope:**  
Tara Signs worked with the Lancing Business Park steering committee implement their colour coded sign scheme to improve wayfinding around the park.

A phased programme was used to suit budget, time and planning constraints.

- Sign Types:**
- Building identification signs x 240
  - Business Park directory signs x 8
  - Wayfinding totem signs x 8.
  - Directional post mounted signs x 23
  - Lamppost mounted banners x 80

**Design:**  
Tara Signs devised construction specification and prepared manufacturing drawings for approval prior to production.

**Planning:**  
Tara Signs sought and obtained relevant planning consent from the local authority.

**Installation:**  
Tara Signs provided all groundworks, access and labour for the installation of all signs during the programme which has run since 2012.
